PRESENTS

A MUSICAL SALUTE

TO

THE NATIONS

MAY 16, 1953 - 8 P.M.

STATE THEATRE

Appreciation

The committee in charge deeply appreciates and sincerely thanks the following for their special efforts in behalf of our Musical Revue and Program Book.

Rev. John F. da Silva, our beloved spiritual director, for his enthusiastic cooperation; Mrs. Tebert P. Mello, our general chairman; Leo J. Silva and Mrs. Russell J. Katibian, our producers and directors; Miss Rose Ann Mello for designing and making our costumes; Miss Shirley Bettencourt for our dance interpretations; Mr. Antonio Batista and Mr. Manuel Ferreira of the Portuguese Radio Hour; Mr. Henry Santos who designed our cover; Mr. Norman Glassman for his kindness in allowing us to use the State Theatre; the Lowell Sun for its excellent publicity; the Trans World Airlines, Inc., for their properties, and the A. G. Pollard Company for decorations.

A big "Thank You" too, to you our audience, our musicians and cast, to our patrons and little treasures and especially to all of our fine local merchants who so generously responded to our appeal by favoring us with their ads.

May you enjoy our show as much as we have enjoyed bringing it to you and count tonight as one of your most enjoyable evenings.

DOES SO MUCH FOR SO LITTLE

... and the more you use
the less it costs!

• It's not only good for your health,
your comfort and your convenience to
use gas—it's good for your budget,
too ... because the more gas you
consume, the less you pay per cubic
foot.

• It's the old story of volume pur-
chasing that's at work. The more
oranges you buy, the less you pay
for each orange. The bigger the tur-
key you buy, the less you pay per
pound. Apples by the bushel cost
less per apple than apples by the
peck—and so on.

• Let us prove how little it costs
for gas when you use it wisely and
widely.
