

# CHAMPIONSHIP GAME TOMORROW

## Hudson High Will Face Needham High at Riverside Park

The stage is all set for the baseball classic of the Midland league, when tomorrow afternoon at Riverside park, Hudson high will meet Needham high in the game that decides the league championship.

There should be a big attendance. Hudson needs only this game to bring the championship to town, and every lover of baseball should be on hand to give the boys encouragement. The team has been a surprise. Beginning the season as an entirely unknown quantity, it has won its place at the top of the league ladder, and tomorrow's contest, the last of the year, means much to it. It is not the first time the situation has been the same as it will be when the game begins at 3, tomorrow. Twice before, the championship has been decided with the last game and twice before Hudson has been one of the factors, only to fail at the last moment.

For two years Hudson high feared Natick, and when the crucial test came, Hudson was found wanting. The present nine does not fear Needham, notwithstanding that it is the only team that has won a league game from Hudson this year. On May 3, Hudson traveled to Needham, and lost 12 to 11. In that game the locals lacked experience, but the fact is that with the score 9 to 1 against them in the seventh inning they started a bombardment of the Needham pitcher and in the remaining frames tallied ten times. Hudson feels that it should have won that game, and it is that confidence that will give it the courage to win tomorrow.

## OFFICER PIPER REINSTATED

### Selectmen Believe Layoff has Been Sufficient Punishment

At a meeting of the selectmen on Friday night, Officer John S. Piper was reinstated. He made a request that he be given his former standing in the police department. The selectmen, believing that he had been punished sufficiently, voted to remove his suspension and he is again rated as a member of Chief Richardson's staff.

Officer Piper committed the error of failing to place Captain James C. Byron under arrest when he found him in a store on School street with evidence that Byron had forced his way in at an early hour in the morning. On learning of this the selectmen immediately ordered that Piper be suspended. Officer Piper excused his error at the time by stating that

Byron was so well known that if his offense was really a serious one he could be arrested at any time.

John Tavares was granted a common victualler's license to be exercised at Glendale and Main streets; common victualler and poolroom to George Anastas, corner Washington and School streets.

A permit was given the Hudson Portuguese Holy Ghost society to hold its annual church parade on Sunday, June 15. A warrant for a special town meeting was drawn up.

## CONFIRMATION

### AT ST. LUKE'S

#### Bishop Slattery Will Confirm Class and Preach Sermon

Bishop Slattery is coming to St. Luke's Episcopal church on next Tuesday evening at 7.30, for confirmation.

The Right Rev. Dr. Slattery, bishop-coadjutor of Massachusetts, will preach a sermon that will be of general interest. Dean of Cathedral Faribault, Minnesota, in his young manhood, rector at Springfield, Mass., and for years at Grace church, New York City, Dr. Slattery commands attention and respect as a scholar, author, social worker, and spiritual leader.

## GIBBS BECOMES COURT JUSTICE

### Retiring State Senator Gets Place on Middlesex Bench

State Senator John M. Gibbs, of Waltham, has been appointed to a position on the Middlesex bench, and on Monday was inducted to office in Waltham courthouse as justice of the Second Eastern Middlesex District court.

Judge Gibbs has been senator from the district of which Hudson is a part for several years, and it is the seat he vacates on Beacon Hill that Representative Frederick P. Glazier now seeks.
