STATEMENT REGARDING "RTPI"

Lowell Cable Television, Inc. recognizes that Lowell has a Portuguese community that is interested in Lowell Cable Television receiving and making available RTPI Portuguese programming via satellite from Portugal.

Lowell Cable Television has met on several occasions with representatives of the Portuguese community and has indicated it's willingness to pursue the carriage of the RTPI programming channel.

Lowell Cable Television's affiliated company serving Southeastern Massachusetts is presently in negotiations with RTPI for the continuation of carriage with RTPI programming in the Fall River and New Bedford, Massachusetts cable systems.

Lowell Cable Television cannot move forward with the carriage of RTPI programming until the contract with RTPI has been renewed.

The current contract for RTPI carriage with the company expires on June 30, 1994, therefore, Lowell Cable Television, Inc. anticipates resolution of this issue in the near future and will forward a statement of how this matter has been resolved.

For further information, please contact, Donald R. Ratte', General Manager, at 459-3313.
