State Theater

Appreciation

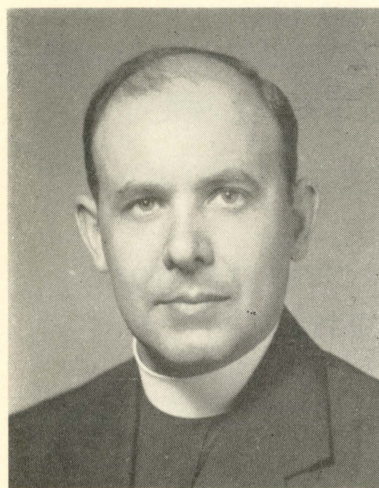

The committee in charge wishes to express its thanks to the following for their special efforts in behalf of our Minstrel Show and Program Book.

Rev. John F. da Silva, our beloved spiritual director, for his ever willing assistance; Mrs. Tebert P. Mello, our general chairman; Leo J. Silva, our producer and director; Miss Shirley Bettencourt, our choreographer; Miss Rose Ann Mello for designing and making our costumes; Mr. Antonio Batista and Mr. Manuel Ferreira of the Portuguese Radio Hour; Mr. Norman Glassman for the State Theatre; the Lowell Sun for its fine publicity; Mr. Joseph Ferreira, in charge of our sound equipment; and the members of the Portuguese Colonial Band of Lowell for their splendid gesture of cooperation.

A big "Thank You" too, to you our audience, our musicians and cast, to our many patrons and especially to all of our fine local merchants and friends who so generously responded to our appeal.

We hope that you will enjoy our presentation and may the knowledge that together we are working for our beloved Saint Anthony's Church serve as a source of happiness and satisfaction for all.

The Committee

TO MARY

A century has passed, Oh Virgin dear,
Since first the joyful dogma was proclaimed
That spotlessly on earth thou didst appear,
Immaculate henceforth would be thy name.

Adorn with thy graces our Sodality,
That on life's way we may find strength anew
To bear our cross, as thou didst willingly,
To live each day as thou wouldst want us to.

Bless these two lands that we have learned to love
Our dear one here and that beyond the sea
Where thou didst bring a message from above
To Fatima where children prayed to thee.

Inflame our hearts with Christ-like charity
Let hatreds of mankind forever cease,
Grant in this year we dedicate to thee
The world will know the happiness of peace.

D.M.

Only *GAS* does so much

... **AND THE MORE YOU USE
THE LESS IT COSTS!**

- It's not only good for your health, your comfort and your convenience to use gas—it's good for your budget, too . . . Because the more gas you consume, the less you pay per cubic foot!
- It's the old story of volume purchasing that's at work. If you buy oranges by the crate they cost less per orange than by the dozen. The bigger the turkey you buy, the less you pay per pound. Apples by the bushel cost less per apple than apples by the peck — and so on.
- Let us prove how little it costs for gas when you use it wisely and widely.
