

EXPLANATION

	Subtropical rain forest
	Subtropical lower montane rain forest
	Subtropical lower montane wet forest
	Subtropical wet forest
	Subtropical moist forest
	Subtropical dry forest
	Alluvium and other unconsolidated sediments
	Limestone and other carbonate rocks
	Non-carbonate sedimentary rocks
	Extrusive, volcanoclastic, and hydrothermally altered rocks
	Intrusive rocks
	Ultramafic igneous rocks

Polyconic projection
Geology derived from unpublished map by
R. D. Krushensky, 1995, and digital data compiled by
W. J. Basovic, 1995. Lifezones from Ewel
and Whitmore, 1973, and digital data compiled by
University of Puerto Rico, CEER, 1995
