*House of Representatives U.S.*

*Washington,*  
July 1, 1919.

Mr. Alfred A Phillips, Jr.,  
Secretary The American Legion,  
Stamford, Connecticut.

Dear Sir:

Enclosed you will find a copy of my speech on "Homes for Soldiers", which also contains a copy of my bill H.R. 5545.

I am also sending you under separate cover 100 additional copies of this speech. If you are interested in the proposition, you may address these to your county organizations. No stamp will be necessary as the speeches are part of the Congressional Record. I can furnish you additional copies if you care for them.

Will you please send me the names and addresses of the Presidents and Secretaries of your county organizations? I will be glad to pay any expense incurred in furnishing the list.

You understand, of course, that I have no personal interest in this matter. I am simply trying to do what I consider the right thing.

I will add that if my plan meets your approval you could aid materially in passing the bill by writing your Senators and Representatives in Congress.

With kind regards, I am

Very sincerely yours,
