

The Vermont Avenue Christian Sunday School

Washington, D. C.,

June 3 1909

Just one year ago our Church became a Living Quiver in the Foreign Mission Work. We want a great offering next Sunday. It will never do, in this our Centennial year to turn back and not be a Living Quiver. That's not the Vt. Ave. way of doing things. Every member of the school has done well on the T. S. Hour proposition; but we must not let this success interfere with our other obligations.

We must have \$375.00 in our offering next Sunday. In order to secure it we want at least 40 in the \$5.00 league, 100 in the \$1.00 league and some who will support our missionaries at least one day (\$1.65)

I am sending this letter to a large number of you and ask that you be in one of the above classes. "Count your blessings, name them one by one, Count your many blessings, see what God has done" and then decide what you will do to send the Gospel of His Christ and our Savior into all the world. Let your offering be as liberal as the blessings you can count.

Sincerely E. A. Gongwer, Supt.
