Dear Father:-

Enclosed herewith you will find affidavit in the claim of William Hicks who desires an increase in pension from \$12.00 a month to \$50.00 a month, as I get it from Mrs. Lowery, there will have to be a special bill.

Trusting you will understand, of course, just what to do in the matter, and I would suggest that you write Mr. Hicks advising him that you have taken action on the matter.

Mr. A. W. C. Weeks of 410 E. Broadway, just called and asked me if I had a copy of the Bill you recently introduced to establish a Soldiers Home at Sulphur Oklahoma. I told him I had no copy of it he suggested that I write you and have you send him a copy. I might remind you that Mr. Weeks is the Commander of the G. A. R. post here in this city and trust a copy of the bill will reach him without delay. I remain,

Very sincerely, your son,
