Birthday Anniversary.

As has been their costum for several years, Mrs. A. R. Heath and Miss Hellen Adkins celebrated another anniversary of their births, at the home of the former, southeast of the city, on las Sunday, Feb. 25. It was v veritable December and May affair, Mrs. Heath arriving at the eightieth mile post of her earthly pilgrimage on that date and Miss Hellen on her thirteenth. Among those assembled on that occasion was Mrs. Heath's husband, Rev. A.R. Heath who put eight years behind him on the seventh of the past month and was of the friskiest boys in the bunch. From present appearances, Mr. and Mrs. Heath will make a very close race for the century mile post, if they don't both pass it.
