

Box 1, Folder 4, Item 1—Letter to Mrs. Tucker from Ora Morgan (1902 Aug 05)

Lovington, Ind.

Aug 5, '02

Mrs. Tucker:

Mr. Morgan received a letter from you not long ago. I had always thought until then, that I was the member of the family who was a member of the ladies' "Aid Society" of the Christian Church, there, and that I was duly appreciated. You apparently wrote as [?] of the "Aid".

Consequently, they may have the satisfaction of knowing that they have done their part toward sending me-, for if I ever tried to be and to do as I should it was while at P. I am completely crushed.

Further, in closing, your remarks, personally, of appreciation, [?], were so decidedly one-sided that you need not longer consider us friends.

Mrs. Dick T Morgan
