Woodward, Okla.

June 18, 1907.

My Dear Ora:

This is Wednesday evening. I have been to practice and I am home- its about 9 o'clock and I will write you and mail to-night as I feel intended to get you a letter off- before this. I have not heard from you since your card at Danville. But I am expecting a good long letter everyday. Well, to being I had a card from Ma when she arrived at T.H. she got there at 2 oclock at night staying all night at

Kansas City. I saved you the card. No doubt she feels very proud of herself. I will write her tomorrow I think, Mr. and Mrs Swinehach left on early train this morning. They desired to be remembered to you. Sunday [[?]] was about as usual. We had a 96 at S.S. Sunday night I left [[?]] Church early and hurried over to Baptist church to get to hear their Children's Day Services. It was quite good- but too long as usual. I send you a program, Mr. Morgan sang very well.

Our practice has been going on every night this week- [[?]] I found we were not getting along very well. We little ones meet early and the young folks later. I think [[?]] will get in pretty well practiced up by Sunday night Here I was interrupted by a trip home hall from Mr. Sharp who wanted to know what our S.S> would think of having a union pie-tie sometime next week. He though we might go up ([[?]]) He [[?]] road to [[Wyanoka?]] about 20 miles. I told him I would talk it over with our people and let him know. Mrs. Wallace's boy is here- He is a right nice young man- and rather bright. he came down to the office and I had quite a little talk with him. Well, how did he [[?]] go off? You must tell me all about it. And you must write me often also. I hope you are well and having a good time. We had big rain yesterday- rained all afternoon and some last night. Had a letter this every from Porter and I enclose it to you, as he requests, I have not written him yet this week, but hope to get one off to him to-night- as I had it partly written. My stomach trouble bothers me a good deal last week but I am all right now. Love to all and love and kisses to you in abundance Your loving husband,

Dick.
