

Box 1, Folder 1, Item 32- Letter to Ora Morgan from Bessie [M. King] (1902 February 11)

Dear Cousin Ora:

Please don't think I am "officious" but I have just heard that it is next to impossible to get tickets for "Blue" so think Cousin Dick had better not wait until tomorrow to secure them I haven't got my empire just at seeing you the morning- and hope to arrange to be with you as much as possible while you are here. I assume Mary will be glad to go with you to the Library. I will see you tomorrow assuming.

Affectionately

Your cousin,

Bessie M. King.
