Dear Ode:

Well, the 2nd day in the Land office has passed, and of course, I feel very much at home compared with my first day. The work is behind only much- but I think in a week we will get pretty well caught up of course, I am learning some things about the work of the Register, but on most of the questions which arise, I am pretty well posted. I am still here at this hotel, and I am thinking seriously of arranging to board here. I shall talk with the prospector again tomorrow, I think, and see if I can get him down some on price. I got such nice letter from Bro. Hallett this evening (rec'd from El Reno) and I herewith enclose it to you. I shall answer it soon, and send

[written in upper left margin]

as Bro. Hollett had been so good to write, I though I would write his letter this eying. Please write something at once, and mail my letter without delay. It is now 10:20 p.m. time for one to relax so goodnight and pleasant dreams. Dick.

my letter to you- and ^have you mail it from El Reno- For you will probably want to add a few lines.

Well, as I am writing so often you will not expect long letters. I met the pastor of christian church here yesterday. He preaches here but twice a month. Have sources in K .P. Hall- Say they have about 35 members. Hope you are well. With plenty of love an dan abundance of kisses. I say good night- as we Dick.
