Dear Father:-

Your favor of January 26th to Mr. Anthony Devine, which I enclose herewith, was brought to me this morning by Mr. Devine, and he states that he never did any work on any ship except as a detailed soldier. He says that he worked out of Ft. Monroe. He also says that Bird McGuire has several affidavits in his possession saying that Mr. Devine was really enlisted and in the army. I remain,

Very truly yours,

M/C.
