Thursday, Sept., 1.

Dear Papa and Mama:- Your letter came to us this noon. Papa, and we were glad to hear from you and to know that you are having a vacation and rest. We are enjoying over so much that we feel we want you to be having a good time too. Nothing of very much Frequency has happened since we wrote Saturday. We were at Uncle Al's for dinner Sunday, and such a dinner! We back ate until we were full and then two dessert courses.

came after we reached that stays! We are not doing very much if anything except just visit. We have been going riding around every evening- Poor Petey (the horse) realize that we are here to her sorrow. For she has a good deal more to do. Harlan returned from St. Louis this morning He had been gone a week. He had a fine trip. [?] has not been well for two days- a sort of summer complaint, I guess.

He is feeling better to day. He told us the other day that there were just enough "fried" chickens to last two weeks if we ate some every other day, So you can measure the length of our stay, can't you? Porter has been entertaining to bail on the eve of his nose all this week. I think he is getting better today. He's low fever is much better. It has been rather inconvenient for him

to have the bad and hay fever at the same time. Clarence is at the Fair this week too. We expect him home about Saturday night. You must give our love to all the folks and tell them how much we [?] to give up our visit with them. and that we will look forward to it some time before long. I think Porter will add a little to this. Hope you are much better papa. With love to both,

Clemmer.
