LECTURE I

D. A. R. MEMORIAL HALL, 17th and D STREETS NORTHWEST

Wednesday, February 28, 8:00 P. M.

SIX WEEKS IN DEVASTATED POLAND

by

FREDERICK C. WALCOTT.

This is a most graphic and interesting address on Mr. Walcott's late personal experience in Poland. It is illustrated with views taken on the spot, showing the result of war's devastation. It gives a most vivid picture not only of destruction but of the suffering caused the non-combatants, old persons, women and children, and the illustrations visualize remarkably the conditions.
