

Box 1, Folder 25, Item 8- Letter to Ora Morgan from Mabel Fielding (1905 Feb 26)

Guthrie, Okla.

Feb 26th 1905.

Dear Mrs. Morgan:-

It was so sweet of you to send me such a lovely book. I have read it and it is just fine. Just exactly what I needed. The chapter about the girl when she is fifteen helped me ever so much. Mama said I would have to read it about every three weeks so that I could absorb all the good there was in it

I'm a Freshman this year and am going to graduate in three years if I can. I take the Classical Course and find all my studies very easy except Latin and I have to study that so hard I talk it in my sleep. We have a fine new High School built by the County, it is north of town so it makes me a very long ways to walk but I don't mind it at all. When ever you come to Guthrie you must be sure and come to see us. We are sorry we couldn't wait any longer that evening you and Porter came but there was to be exercises at the ~~cu~~ church and we were going to recite some recitations. Mama went to see Mrs. Fred Morgan and she wasn't at home. Mama didn't leave he card because she wanted to speak to her but she is going again this week. We were very glad to here of Mr. Morgan's appointment. Remember us to Porter when you write to him. Mama sends her love and let me thank for that lovely book.

Mabel.
