Dear Friend:

Further in regard to your pension claim,
I beg to call your attention to the attached letter
just received from the Commissioner of Pensions, and
which letter is self explanatory.

I would thank you to return this letter
to me when same has served your purpose, so that I may
keep my files complete.

If there is any other way in which I can
assist you in this matter, I would be glad to do so.

I remain,

Yours very sincerely,
