Mrs. Dick T. Morgan,

El Reno, O.T.

My dear Mrs. Morgan:

We have made final arrangements for our through car to Denver, and know that you will be pleased to learn that it is over the Rock Island route. Our official car will go north on train No. 2, Tuesday morning, June 24th. We are going to have a car full and expect a first class time. The crowd is growing in size every day. About ten ladies will go from Oklahoma City, so you will have plenty of company. We have arranged all details.

Please advise all parties going from El Reno to purchase their tickets via the Rock Island, El Reno to Denver, and the Denver & Rio Grand from Denver to Pueblo.

Kindly notify me, upon receipt of this, of who is going from El Reno, as I am sending their names into Denver now.

Until I see you Tuesday morning, I am,

Sincerely yours,

W. Haynes Buxton

B-W.
