WASHINGTON, D. C.,

February 12, 1920.

Hon. Dick T. Morgan,  
House of Representatives,  
City.

Dear Mr. Morgan:

Would you be kind enough to send us an 800 to 1000 word statement on any political or legislative subject, or Congressional problem, in which you are most interested?

We would like to use this in a number of large dailies throughout the country in March, including some in your State, under your own signature, with a biographical footnote. We have a biography.

If we could receive this statement by February 21st, we would be greatly obliged.

Thanking you for any favors extended in this matter,

Respectfully yours,

*Wighted Jones*  
Washington Manager.
