

Box 1, Folder, 1, Item 25- Letter to Ora and Porter Heath Morgan from Dick T. Morgan (1889
March 28)

United States Senate,
Washington D.C.

Dear Wife and Boy:

This is Thursday about 3 A.M. I have been waiting to see Senator RH, I went to White House this morning at 10 and waited until 12 but did not see Harrison. Could not get a chance his time was occupied by others.

It is possible that i will start home tomorrow evening. Shall try and do so. I have nothing new today about my affairs. Nothing everything to say. Hope you are both well and that I will see you soon.

Much love and kiss, As Ever,

Dick
