AS A THANKSGIVING OFFERING  
WILL YOU HELP US BY GIVING  
AT THIS TIME.

Mrs D. T. Morgan.

Washington D. C.

Dear Friend:

We ask your consideration of this letter, that  
is do not confine it to the waste basket without reading.

We believe the present hour in the history of  
the country is a momentous one, and never was the need  
greater, for the preaching of Christ and the spreading of  
HIS word both at home and abroad than it is today.

During the present year up to date we have dis-  
tributed 161.763 pieces of Christian literature comprising  
Bibles, Gospels, Testaments and Tracts and a large number of  
individuals have been led to accept Christ through this work.

WE NEED YOUR HELP AT THIS CRITICAL TIME.

Will you bear this cause before God in prayer?  
If HE leads you to have a part in supplying this special need,  
Five Dollars--Ten Dollars or Fifty Dollars---we will rejoice  
in HIS grace toward you and toward us in HIM.

Yours in HIS service.

*Wilbert P. Cooke*
