

Box 1, Folder 29, Item 5- Letter to Ora Morgan from Ollie Foster (1906 July 27)

Covington, Ind

July 27th 1906.

Mrs. D.T. Morgan.

My Dear old friend:-

As Della is writing to you, I will add a little. In thinking of writing to you it seemed like writing to a stranger especially when I think of Porter being a man of a family, and I hardly know what to say to you that would interest you. Then as I let my mind travel backward a few years and see you as you used to be and many little incidents came floating up and I find a smile coming to my face and my pen ready to put my thoughts of my dear friend down on paper and you are a stranger no longer. You would laugh if I were to tell you how many funny incidents came up as I think of you, what an odd child I must have been. Well I have [[?]] very much like what I was only not quite so quiet Aunt Dell calls her "perpetual motion"

I am enjoying my visit here with the folks so much. I find serve change in your father and Dell and Harp but very little in your mother and Evan. Your mother seems as young as she did 25 years ago. I first came at realist that she is 80 years old. My mother would have been so next Sep. She has been dead 10 years. I hear that you are going east in Aug. I wonder if you will be at [[?]] to Cahtauqua if so we may have a chance to see each other as I expect to be there. We are having a great time visiting your father and I visit first after breakfast and your mother and I while use are peeling apples and potatoes and Edna and I while we are washing dishes or ironing

but Dell and I take our time after i got to my room Pearl can't go to sleep without "Aunt Dell" in the room so we visit there till 10 or 11 or/1.

And have a good time I do not know first [[?]] I will return to the west. Perhaps in Sep and perhaps not till next spring I can't tell until [[?]] and her husband get through with their fight with Mr. Fester. I am setting looking on while they fight over me. I think I have written enough to fill the envelope without Dell. I would be so pleased to hear from you Remember me to Mr. M I am your little?([[5th 5in??]])

friend Ollie L Foster
