CABLE ADDRESS  
"MICHLEY"

January 21, 1911.

Hon. Dick T. Morgan,  
House of Representatives,  
Washington, D. C.

Dear Mr. Morgan:

We have read carefully the enclosed answer in your election case. We consider it an admirable document from end to end and would not know how to improve upon it. Please convey our appreciation of it to your lawyers in Oklahoma.

We learned on inquiry at the office of the Clerk of the House yesterday that your answer had been filed in time, and Mr. Michener called at your office this morning to gossip with you but you were out. Now it is for the contestant to comply with the rules of the House and we adhere to our opinion expressed the other day that it will be just as well to refuse to give him any extension of time. Of course, something may arise to cause a change in our views, but at this moment they are as stated.

Very truly yours,

*Michener & Pence*
