Dear Ora:

Your letter came this morning- and I was glad to hear from you, and glad that every thing went off well- though you did not send me the particulars- Guess you will do that later. Perhaps the paper will have something in it. If so send it to me- of there is one to spare. Glad you have written ma. I [[must?]] write her to-night. It has been raining all day to-day nearly- which with yesterday's rain makes it quite damp and muddy. I told your last ~~[[striketrough]]~~Saturday ~~[[/striketrough]]~~ ^nights letter as to the practice this when last week ~~[[?]]~~ did not practice after Wednesday evening. We practiced last Sunday afternoon. The services ~~[[?]]~~ And at morning

were pretty well attended, but at night the audience was not quite as large as usual- suppose this was on account of Children's Day [[?]]- at Baptists. I think the rain will prevent any practice this evening. I send you Porters first letter- and some papers. I have purchased them at store- hat- cost \$1.50. I [[looked?]] at store hats at Enid but could not get one to suit and came home and bought one hat did not suit me- a "suitor" I think they call them- a stiff hat- you bought know- they seem to be all the go. Mr. DeFrees also has bought one and i have no news to tell at Bourne House. I hope you can get this Saturday night as mail should go fast as a person [[?]]. Love to all- Your loving husband- Dick.
