Dear Ron:

On behalf of the members of Omicron Beta Kappa Leadership Honor Society, I am pleased to let you know that you were nominated and recommended for membership to the top Leadership Honor Society of Ferris State College. It is my privilege to invite you to accept the invitation of the Society to membership in OBK.

You were chosen on the basis of the following qualities: exemplary character, meritorious leadership in extra-curricular activities, scholarship, and dedication to serving the college in purposeful activities which strengthen the quality of life at Ferris.

Would you please notify me of your acceptance by meeting me in the Music Activities Center by Tuesday, April 28. At this time, details of the formal initiation and the Society will be discussed. There is a nominal initiation fee of \$8.00 which helps defray initiation expenses and may be paid on the initiation day. You may want to phone my office, extension 393, for an appointment. I look forward to meeting you. If it is impossible for you to drop by my office, call me no later than Tuesday, the 28th.

Congratulations on your selection to Omicron Beta Kappa.

Very truly yours,

*Dacho Dachoff*
