The Hands of Time

("Bryan's" Song)

If the hands of time were hands that I could hold,
I'd keep them warm, and in my hands they'd not turn cold.
Hand in hand we'd choose the moments that should last;
 the lovely moments that should have no future and no past . . .
 the summer from the top of a swing,
 the comfort in the sound of a lullaby,
 the innocence of leaves in the spring,
 but, most of all, the moment when love first touched me!

All the happy days would never learn to fly,
Until the hands of time would choose to wave "good-bye".
 the summer from the top of a swing,
 the comfort in the sound of a lullaby,
 the innocence of leaves in the spring,
 but, most of all, the moment when love first touched me!

All the happy days would never learn to fly,
Until the hands of time would choose to wave
 "good-bye" — "good-bye" — "good-bye" . . .
