A friend is one who  
knows you as you are,  
understands where you've been,  
accepts who you've become,  
and still

gently

invites you to grow.

# B.S.N.A. = 's Community Service

## Tricks for Treats to Health and Safety!

This year B.S.N.A.'s goal was to serve the community, and on Halloween night we sponsored a health and safety program for children under 12. They received "treats" such as toothbrushes, apples, colors, and fire safety coloring books. The program was a success.

The Spook Group

Like father, like son. . . James Flanders, son of Mr. Roger Flanders—Director of Public Relations at Bryan, was one of the youngsters at the program. B.S.N.A. would like to thank Mr. Flanders for all his help with the publicity for the program.

This year the BSNA Officers were: Bottom row, Jackie Kroll—Treasurer, and Mary Lynn Heimer—Secretary, Top row, Mary Lee Fiala—President, Darcy Kruse—Vice President, and Verla Youngquist—BSNA Advisor.

This year BSNA served it's own members by inviting speakers to every other meeting, Speakers that were both informative and fun. Some topics discussed were the Cardiac Rehabilitation Program at Bryan, protection against rape, and the Nurse Practice Act.

National Convention this year was held in Salt Lake City, Utah. We had Seven Members attend from Bryan, they were: Cinda Chesly, Katie Svoboda, Michelle Shannon, Barb Schulenberg, Jackie Kroll, Mary Lynn Heimer, and Patrice Hester. Advisor Verla Youngquist also attended.

To raise money for the club, BSNA sponsored a Bake Sale this year. They also held another Pancake Feed in the hospital cafeteria, and had a car wash in the parking lot. The money was used to help members attend convention.

As another Community Service BSNA helped the Red Cross take Blood Pressures at Blood Pressure Screenings.

Does it look like Mrs. Echols is in Hypertensive Crisis to you?

Jan Vrtiska—Our fearless leader

You're probably wondering why I've called you all here

Tom Rae—coach

The 1979 softball season was a great success plus a good time. The combination of juniors and freshmen made up a team which had much skill at all the positions and also alot of depth. The regular season ended with a winning record and tournaments provided much excitement. After losing the first game of the double elimination tournament, the team won nine straight games to finish with trophies for a second place finish.

# Basketball

The 1979-1980 basketball season was a time of many long practices, a great amount of effort put forth and a lot of fun. This was a very talented team which was well balanced resulting in a successful season. The regular season ended with a win over a previously undefeated team. The tournament was once again scheduled during the juniors vacation, but many returned to play during that time, and that's dedication! The team played in the semi finals of the tournament, the last game being a two point loss. The entire group added to the fun and excitement of the season and each one of us thanks Bev Epp for her leadership and dedication.
