Class colors are pastel rainbow
with pastel roses as our flower.
Our motto: "We write our own
destiny. We become what we do."

Graduation exercises were held May sixteenth at the
Fine Arts Auditorium at Nebraska Wesleyan at seven
thirty. Dr. Bruce Miller sang and Dr. Bruce McMullen
addressed the sixty member class. We finally made it!

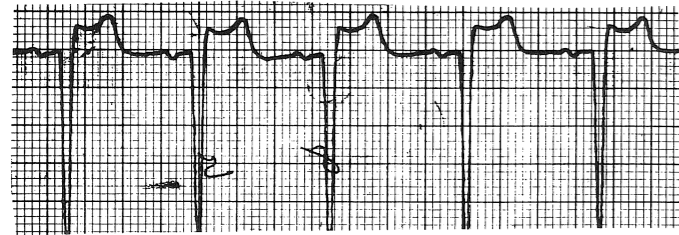

After 3 years of college Sal, you'd at least think to take your clothes off.

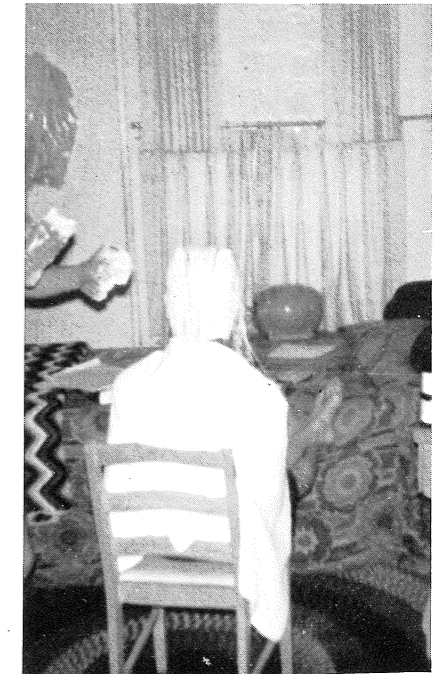

Did they really?!

Mrs. Carol Stewart, a lady with a big heart whose "Come
on you Guys" and "Intensive is fun", inspired us on. Thanks.

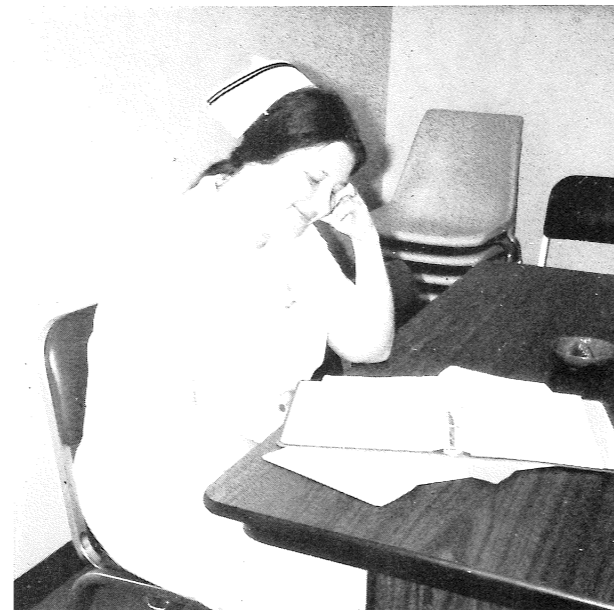

From where?

Yea Deb, still didn't
go down.

Class sponsor
Mrs. Sue Martin

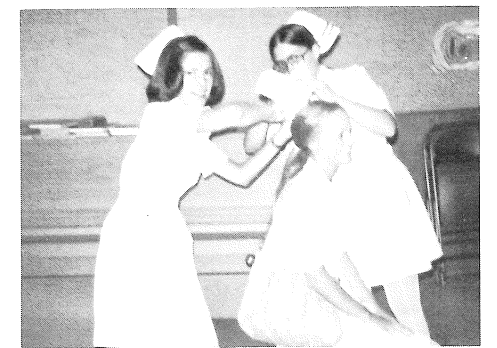

There's one in every group.
