Guaranteed student turnout when foods involved!

Nancy and Kim share fun and exciting times with Julie and Karen.

"Laundry, again!" exclaims Gwen.

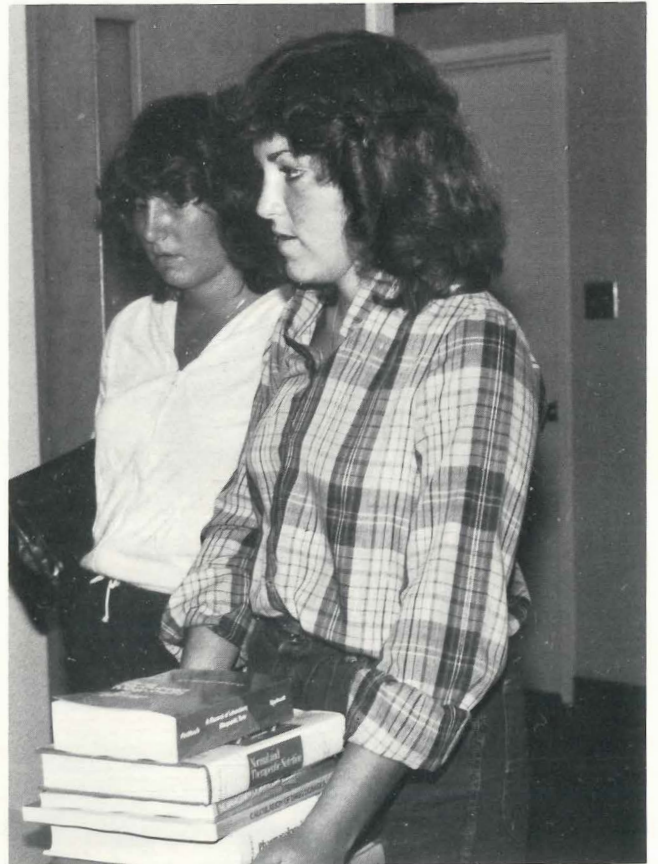

Ready to move on to better things!

"Oh, my God! What next?" Melanie asks Nancy.

"Do we need all those books?" Wonders a curious bystander of Kim."

A student's life is never dull — between books and careplans there is time for fun and exciting times. Seems like once we "clock out" from a full days work, be it on the floor or in the classroom, we're ready to "clock in" for some excitement.

Some go for popcorn parties in the hall, others like reading a good book while snuggled up with a warm blanket. Every individual person does their individual thing.

"Do not be anything, but yourself, and do that perfect."

Judy, Teresa, and Kristi ready for a night on the town.

“Friends may come and
Friends may go.
Some may drop out you know.
But we’ll be friends,
Through thick or thin.
Dropping out or dropping in.”

Typical dorm living.

Student Life

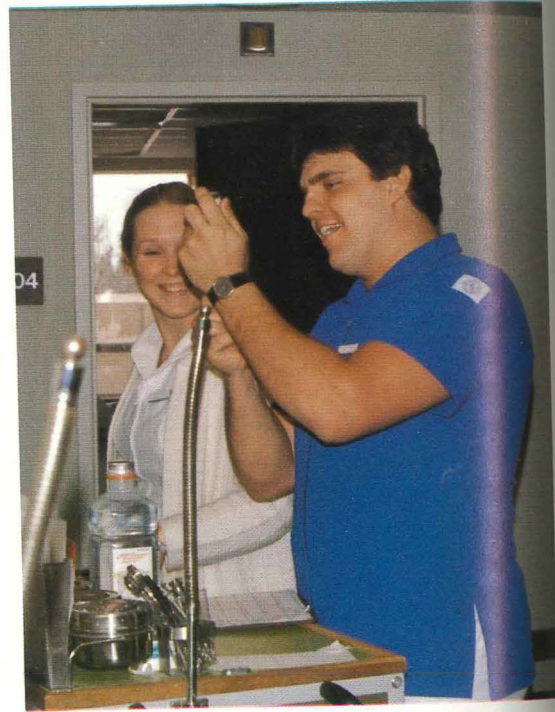

CHANGING

FROM LIFELESS...

TO LIFE!

Ernie Lechner is proving that the traditional role of women in nursing is definitely changing.

Bryan started a new program on January 25, 1982 by accepting a small number of students in January instead of having new students start only in June.

The 1981-82 year at Bryan has seen many changes . . . as new class in January, Med-Surg at St. E's, and an increased number of male students. The future is sure to show many more new and exciting changes for the advancement of our school.

Laurie Valdiviez assists an older yet wiser companion.

Cindy O'Connor and Gema Giese welcome a newcomer who shall experience many changes throughout the years ahead.

With the June class of 1983, students gain medical surgical experience at St. Elizabeth's.

Betty Rasmusson

Involved in arranging for new students to come to Bryan are Betty Rasmusson and Mrs. Hoffman. This year students arrived in January which made a change in scheduling and class times. Through the efforts of these women and with everyone's cooperation this was made possible. Arranging days off and vacations is another of the coordinators tasks and somehow they manage to trade students days and hours in an attempt to fit our changing times.

Secretaries

Mrs. Echols — Librarian

Mrs. Suhr — Secretary

Mrs. Krueger — Administrative Secretary

No matter what the season, faculty and students can always depend on these women for prompt service of typing tests and getting meetings set up with Ms. Bovee. Even during the changing times these women are always on time!

House Moms

Need a helping hand, a shoulder to cry on, or just ear to listen? Who greets you with friendly smiles (even at 4 in the morning). Whenever you walk in the door, bids you good-bye when you're on your way? You always depend on our housemoms.

Twenty-four hours a day service is always readily available. Just like a second mom, they're there to help you to wear your mittens and keep out of trouble. They're true friends, indeed.

Volleyball

This was the first year that Bryan School of Nursing had a Volleyball Team. It was a tough year getting started and organized, but we did it and ended up placing 2nd in our division. After our season was over, our record was 18-2.

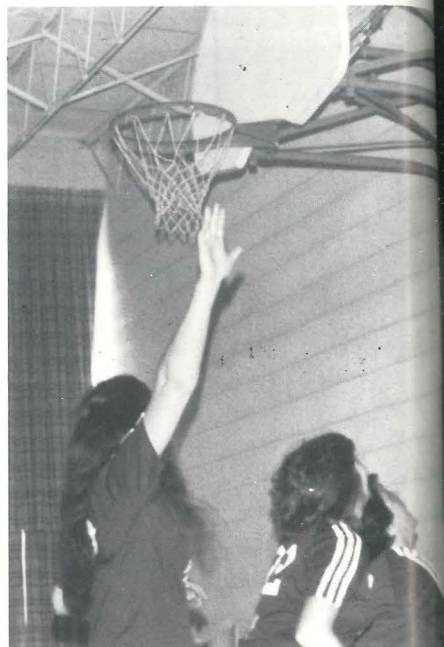

Team members: (Back Row L-R) Corinne Stutzman, Cindy O'Connor, Gwen Schindler, Judy Stastny, Brenda Bydalek. (Front Row L-R) Cheryl Harrod, Karen Tesina, Julie Dragoo, Nancy Cozad, Denise Stithem.

Student Council

Bryan Student Council had planned several activities for the students to attend. These included dances, picnics, parties with fraternities, and many other activities. Included was the yearly bazaar held this winter at Christmas time. This proved to be a very big success. President Renee Boldt helped to make our year go well, with the assistance of Kathryn O'Brien, our Vice President.

BSNA

Bryan Student Nurses Association were busy with many activities this year, included were the Halloween Health Fair, the community project. Other activities included caroling at Tabitha Fun Night Carnival at Randolph's school and the bazaar. Verla Youngquist acted as our sponsor and did a fine job of it.

Red Cross

Red Cross offered us a chance to become involved with the community and volunteer our services. The required 20 hours seemed to come and go, Blood pressure screenings, babysitting classes and all sorts of fun things took place. As seniors, we will be able to proudly wear our well deserved Red Cross Pin.

Honors

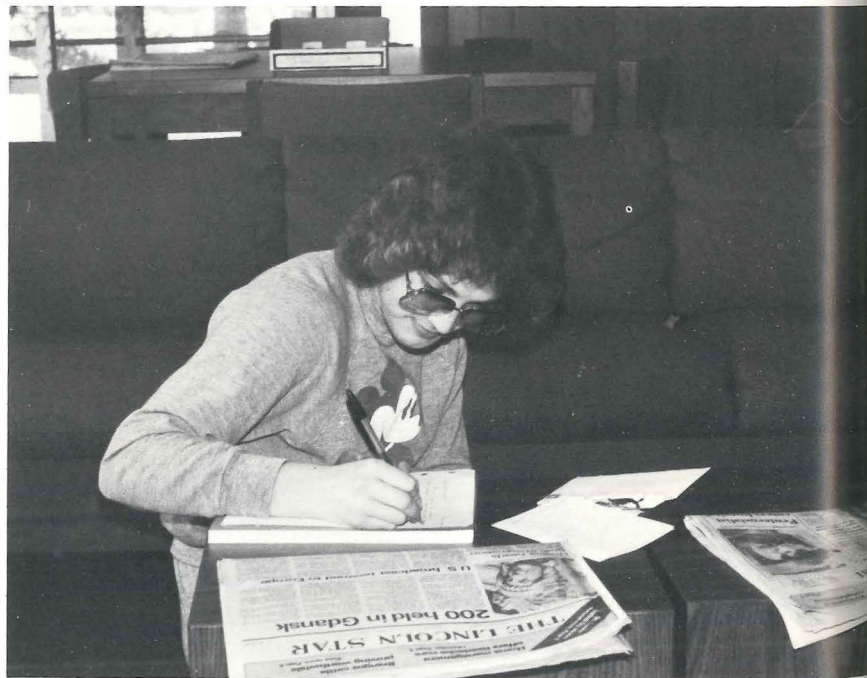

Class of 1984

In January, 1982, Bryan School of Nursing introduced a new outline of curriculum. This class is the first of the new program and the "guinea pigs," so to speak! The staff, as well as friends and family of these students, are anxious to see the outcome of this new program. The best of luck and success is wished to each and every student!

(Top Row L-R) M. Hlevyack, J. Bard, D. Price. (Middle Row) L. Kastens, C. Bartels, R. McDowell, M. Evans. (Bottom Row) C. Gillespie, D. Zarek, S. Premer, L. Flowers.

An important event during the course of this classes education was the recognition ceremony held on April 2nd, 1983, at the Elks Lincoln Lodge. Eugene Edwards, President of Bryan Hospital, was presiding at the ceremony. Invocation and benediction were given by Rev. Stephen Evans.

Renee Boldt, President of Student Council, spoke on "The Cap and Caring," Musical entertainment was given by Judy Stastny, Tracy Reitz, and Karen Hatch, Kalthleen Greger, Medical-Surgical Coordinator, presented the class. The class of 1983 presented the class their caps and pins. The Freshmen class closed the ceremony.

Student/Faculty Picnic

Margie, Shelley and a boy are all tied up . . . how are you going to get out of this one, Margie???

The student council always sponsors one last pig out for all the students. Everyone pitches in with the bringing of food, as well as the chowing down, too. An attraction this year was when Betty Ann and Marlyn Rose came to say good-bye . . . many a wet eye was seen, as the seniors knew it was soon time to say good-bye, too.

Cheryl doesn't even know where to begin.

homerun?"

Sorry, softball pictures were rained out!

Class of 1983

For one year now the Juniors have been learning the ropes of the Nursing Career. The learning began with their first day here. They signed many checks and learned they were going broke very fast. The fun times followed with pizza parties, watermelon feeds, and ice cream social, and waking up for a doughnut breakfast with the Seniors at 5:30 AM. Little did they know this would be breakfast time for two whole years and then some! With careplans, drug, lab and community resource cards they've expanded their horizons and are becoming Super Nurses (more or less)! Now with one year behind them and the Seniors are leaving, it's now their turn to hold down the fort.

Capping

Renee Boldt, student council president, welcomes everyone to capping.

Susie, Starla, Patty and Karen sing themselves into a trance!

Melanie Rhode, junior class president, offers her words of wisdom.

On August 21, 83 proud freshman received their caps and pins. This signified the end of one rotation, yet only the beginning of another. President of the student body, Renee Boldt, gave a speech on The Cap and Caring. The newly capped students sang several selections, directed by Bill Hughes. The Ruth Mastalka McPherson award was given to Sharon Smith, and the Bryan Hospital Award given to Jan Miller. Mel Rohde presented her words of wisdom with a speech on Live Life to its Fullest. All these freshman began a little green behind the ears, with a long journey ahead.
