Friday, June 16, 1978, seventy-two seniors graduated at the 50th Annual Commencement from Bryan Memorial Hospital School of Nursing.

Several were honored this year. Laura Umberger and LuAnn Ebke received awards for their high scholastic achievements. Other awards and recipients were: Best All-Around Nurse (Dr. E. B. Reed), Mary Aandahl; Mary Owens Portrey Memorial, Becky Forsman; Barbara Downey Memorial, Patti Dehning; Faculty Award, Laura Umberger.

A reception was held at the school for graduates and their families before graduation. The Alumni Association joins the Faculty in wishing them all much success in their nursing careers.

NOMINATIONS

According to the constitution, officers shall be elected for two-year periods, president and treasurer in odd-numbered years, and Vice President and Secretary in even-numbered years. The terms shall be two years beginning at the adjournment of the Annual Meeting. An officer cannot serve for more than two consecutive terms in any office. This year we need to elect officers to fill the offices of Vice President and Secretary. Verla Lehmkuhl Youngquist '68 has served as Secretary the past two years, and Cheryl McFadden Miller '65 has been our Vice President. These are the offices that need to be filled this year, and we are very pleased to present the following nominations for the two-year terms of Vice President and Secretary for the years 1978 through 1980:

Vice President:

Judy McPherson Ewell '76 - Judy has been working at Bryan since graduation and is presently in Pediatrics. She and her husband Bob are parents of a daughter who will be a year old in August.

Eleanor McCauley Gibson '56 - Eleanor has worked at Bryan Memorial and the Lincoln Clinic in years past and has served as an officer in the Bryan Alumni Association. She and her husband Verne have four daughters; their eldest daughter Genalee is a senior at Bryan School of Nursing.

Secretary

Jill Givens '68 - Jill worked for a time in Omaha and has been Head Nurse on 4-West at Bryan since 1971. This year she volunteered to direct the student nurses' choir at the School of Nursing.

Jan Hartig '73 - Jan had been a Staff Nurse on 4-West at Bryan and is now Staff Development Instructor at Bryan.

Officers who will be serving the second year of their two-year terms are:

President

Konnie Kurtz Brady '76 - Konnie serves as Director of Health Services at Nebraska Wesleyan University during the school year and is working toward her degree in Health Science for nurses. This summer she is doing some nursing at day camps for handicapped children through the Lincoln Parks and Recreation Department. Konnie has a 15-year-old daughter who will be a sophomore at Southeast this fall.

Treasurer

Colleen Chapp Marvel '74 - Colleen worked for two years on Med-Surg. at Bryan and two years on the Modified Intensive Care Unit. She is presently working as a Clinic Nurse at the Lincoln Clinic, P.C., and part-time on MICU at Bryan. Her husband Bob is a karate instructor and security guard with law school in the future.

New Amendments to the Nebraska Laws Governing Nursing

Those of you who are currently licensed in Nebraska or who think you might wish to reinstate your Nebraska license at some time in the future should know that once again the legislature has amended the Laws Governing Nursing.

The law presently requires a minimal amount of both continuing education and practice in order to retain a nursing license.

The requirements will become effective beginning with the renewal of license for 1981 - that is, after September of 1980.

The new requirements are for a minimum of two hundred hours of practice in addition to twenty hours of continuing education in the last five years. The law also provides that Inservice education will be considered continuing education in meeting the legal requirement.

These amendments were just added to the Law in May and the enabling Rules and Regulations will not be available for several months. However it is probable that since the requirement is so minimal, the Board will require that proof of the full two hundred hours of practice and twenty hours of continuing education (inservice education) occurring since September 1, 1975 must be submitted along with the renewal form and fee in order to qualify for a 1981 license.

The nurse wishing to reinstate her/his license after that time or a nurse applying for a license by endorsement who does not meet the requirements above will have to complete seventy five hours of continuing education approved by the Board in order to qualify for a Nebraska license.

Each year before a license may be renewed the practice and continuing education hours must be verified "for the last five years".

Those of you residing in other states should keep yourselves informed about changes in the Nurse Practice Act in your state of residence. State laws are changing rapidly!

In order to be prepared for the necessary documentation in 1980, you should begin to provide yourself with written verification of continuing education and practice.

Do not submit any of these records to the Board of Nursing prior to September 1980.

It is the Boards intent to develop a form which will be sent to all licensees prior to the end of 1979 which can be used to document some of the necessary information.
