Activities

School Life

Bryan's "Singing Nurse's under the direction of Mrs. Raymond Brakhage, are always busy preparing for their many vocal appearances. They began with a welcome concert for the incoming Probies. The highlight of the year comes at Christmas when a concert is given with the Varsity Mens Glee of the University of Nebraska. The summer is looked forward to with its annual concert "Serenading in the Twilight", entertaining friends and relatives as summer comes to a close.

Engagements include singing at Calvary Methodist Church and various chapels.

There are three small groups composed of nurses who sing for various benefits in the city. Much hard work, talent, and individual time is needed to maintain the superb performances which the Bryan Singing Nurses display.

Mrs. Brakhage puts in many long hours working with students, small groups. Such work displays the many fine talents of so many girls.

The choir would never have achieved their high standards and recognition without the fine hand of their "fearless" leader "Mother B."
