PRESIDENTIAL REFLECTIONS

Dear Alumni:

Another year has passed, and with it our Vice-President and Secretary. I want to thank Dorcas Horner West and Donna McCall for their help with the organization. I also want to welcome our new officers: Jean Fulton, Vice-President and Ruth Radenslaben, Secretary. I'm sure they will be a big help to us.

We are also changing editors for the Bryan Newsletter. Portia Reed and Phyllis Stelling have done a fine job with the letter this past year. Thank you.

We hope to have better attendance at our meetings this year by having useful programs and also a new calling list for better information to be passed along to you. If you have any suggestions so we can serve you better, please let us know. I hope that everyone's enthusiasm will perk up this year. Let's all do our part to help make each a success. I hope to see as many of you as possible at the regular meeting or at the Alumni Banquet in August.

Thank you,
Fran Lyon '65
President

EDITORIAL COMMENTS

On only our second issue, Phyllis and I are sorry to inform all of you that we will no longer be able to carry on the job of the newsletter co-editors. My family and I will soon be moving to Omaha where my husband will be continuing his education. It has been fun corresponding with and getting to know many of you.

We are happy to add, though, that we will be passing our job on to two very enthusiastic, interested new Alumni members, Sharon Treat '67 and Sharon Hammond '68. They will be contacting the class correspondents soon for news for the next newsletter.

There are still many classes which do not as yet have correspondents. Does your class? Are you interested in helping? Do you have any suggestions? Let's do our part for the Alumni and help make the job of the new editors a bit easier. It's impossible to put together an interesting newsletter without the help of all of you.

Sincerely,
Portia Reed '64
Co-editor

LOAN FUND NEWS

The Bryan Alumni Loan Fund continues to grow, and as it does, the number of students benefiting increases also.

As of December 31, 1969, there was \$18,414.18 in the loan fund account; plus \$34,556.15 in outstanding loans to 75 students. Making our total assets \$52,803.51.

We are indebted to the family of Salina E. Malmsted for their Memorial Gift of \$10,000. Mrs. Malmsted was frequently hospitalized at Bryan and will be remembered by many.

Loan funds are also available for Bryan graduates. There is approximately \$400.00 in the Ruth Kimmel Fund.

Recently established is a loan fund in the memory of Vera Thompson, the daughter-in-law of Dr. J. C. Thompson. There is, at present, \$2,041.83 in this fund available for graduate work.

Our deepest appreciation to all those who have remembered Bryan nurses with their gifts.
