Washington, DC 20003

Dear Kim,

I've enclosed an outline of a community organizer training that CPHA will be holding February 11th and 12th in Baltimore. We expect between 40 and 50 individuals to attend. Some are doing organizing for the very first time and others will have some experience.

We are interested in knowing if you or any of your staff would be interested in acting as trainers for any of the workshops during these two days. I'll call you during the week of January 11th (I'm off next week due to moving) to see what you think. Although we do have local people who can lead most of the sessions, we'd really like to have at least one person from NOA play a role in the training. This is not only because of your expertise but also because it will give the participants an opportunity to learn something about NOA as well.

Sincerely,

Betty Robinson
Lead organizer
