Dear Class of 2009,

We did it! We left home for our first day of kindergarten thirteen years ago, and have now been officially released.

The years have brought us many adventures in our lives. We have learned a lot and had some fun on the way. While we tend to frown at the mention of school, it is still impossible to mark every part of it with disgust. School is where a lot of friends were made, loves found, hearts broken, games played, and cherished memories made. It became a part of us. This is the part we must not ever forget...the good times.

We have left our childhoods and entered the world of adulthood. For some of us that means we are off to college to make new friendships, new enemies, new achievements, earn a degree, and get a great job. For others, it means you are off to the work force to make all the money you can or you don't quite know your place in the world yet. No matter what your path is, as graduates, you have to do something. So I bid you all a farewell and good luck. Take chances, take opportunities, and make something of yourself. And on the way, don't forget those good times.

It's been fun and a pleasure to serve as your class president.

God Bless,

Carrie Ann Johnson

Save the Last Dance

Prom King and Queen A.J. Whitten and Katie Brown

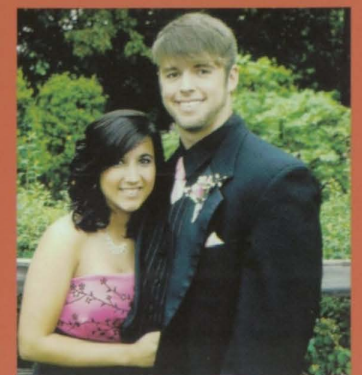

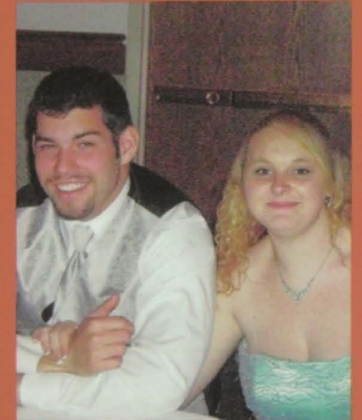

Oh I know that the
music's fine
Like sparklin' wine,
go and have your fun
Laugh and sing, but
while we're apart
Don't give your
heart to anyone
But don't forget
who's takin' you
home
And in whose arms
you're gonna be
So darlin' save the
last dance for me.

START HERE:

A collection of student portraits with handwritten captions. The portraits are arranged in a grid-like fashion. Each portrait is accompanied by a short, often humorous, description of the student. The captions are written in various colors and fonts, some in all caps and some in lowercase. The portraits themselves are cutouts of the students' heads, some with white borders and others with black borders. The overall layout is a dense collage of student faces and their associated text.

In Memory of Alicia Grace Sharlow

12/30/1991 - 5/25/2008

I love how everyday she was so happy and entergetic. When someone was sad, she would do everything she could to make that person happy. We were best friends! Even though she has passed on, I still love her and miss her so much.

-Carrie Jones

Alicia Sharlow wasn't like other girls. You could not compare her to anyone. She always found a way to make anyone laugh. She loved coming to school dressed up. Alicia had a wonderful singing voice and no matter where she was she sang out loud. She loved Halloween so much that it seemed like Halloween everyday to her. She was one of a kind and she let people know that. We all remember her as crazy, fun, caring, and loveable. There will never be anyone else like her.

-Kaylee Berry

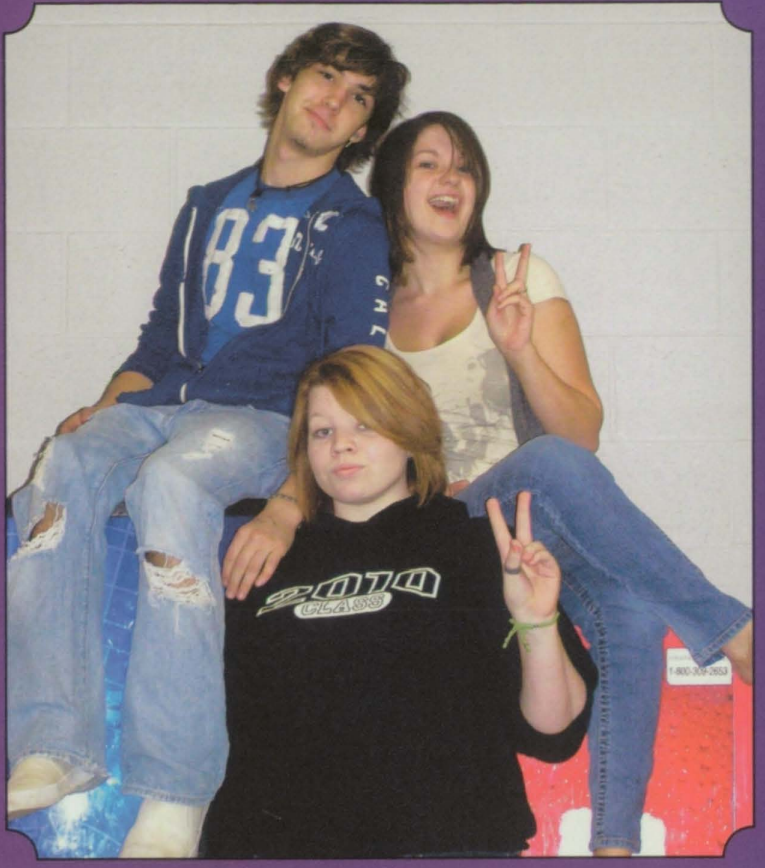

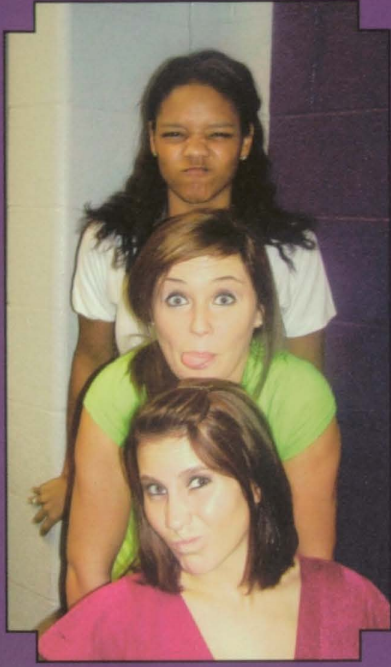

I have known Alicia Sharlow since seventh grade. My favorite memory was at my fifteenth birthday party. I invited Alicia and other friends over. What I remembered the most was in every picture we took she was either hiding pizza or eating it. Alicia was the best girl out there, and it still hurts without her. If there is one thing I remember the most, she was my little pizza hider! I love you and miss you Alicia!

PHS BAND

The Best of The Best

The drums are the ones who keep the beat, they rock the people out of their seats. Their competitions are really rough but they practice so much that the other bands think they are tough. With all of their hard work at band camp, plus all the practice in the afternoon, this band equals up to extreme success during football season.

Portland High School Band in Action

1. Cody McFarlin is the one and only tuba player at Friday Night's musical attraction at the half.
2. Caleb Rush, Jacob Warren, Amy Gentry, Staci Overstreet, Calli Wagner in the clarinet line.
3. Little Drummer Boy-Chris Key playing at Lebanon with Heather Gann holding the flag.
4. Guard Girls, Kelsey Bright and Sydney Mayhew accept, their 1st place competition award.
5. Standing in the pit are Evan Golab, Cassie Hanners, and Amanda Cunningham.

Alan Driver:
PHS Band Director

"This year was one surprise after another. We entertained the crowds, competed well, and had a blast."

“I don’t know what I’d do without band or the people in it. Once you go band, you can’t go back.”

• Stacey Ellis

“It may be my last year, but it is by far my best year.”

VARSITY BASKETBALL

2008-2009 Basketball

The 2008-2009 Boys Basketball season ended at Greenbrier as the Panthers lost a tight District SAA 1st Round game to DCA Chargers 46-42. The Panthers were led in rebounding (6.8 a game) and scoring (15.8 ppg) by Senior guard Matt Estes. In Coach Hooper's 1st season as head coach, the Panthers overcame a very difficult non-conference schedule to have a 7-9 record and be in 2nd place in the district by mid January. The last half of the season saw a series of unfortunate happenings and the Panthers stumbled without a win to end the season. The highlight of Season was two victories over Hendersonville High School on their during December and a district opening victory at home against Greenbrier (55-49). Next Season looks bright as The Panthers return 4 starters (Zach Henson, Andrew Baldwin, Justin Jennigan, & Weston Keen) who all averaged over 25 minutes a game as juniors. Missed will be Seniors Matt Estes, Benny Trammel, Levi Summers, Bruce Lee, and Alex Meadows.

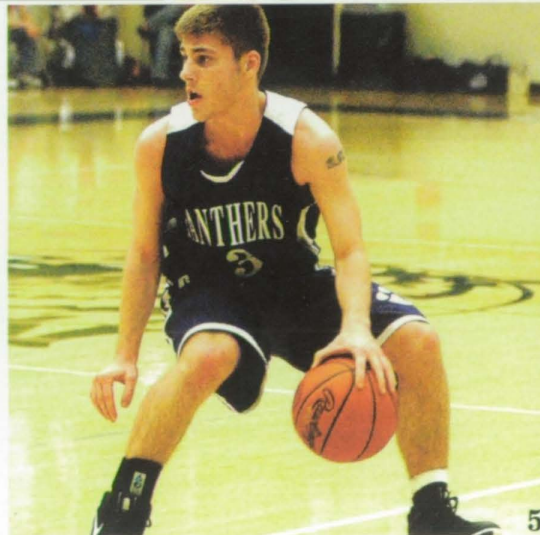

Portland Pride!!!

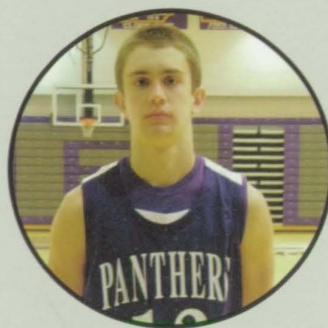

1. Zach Henson and John Jenkins, from Station Camp, battle for a loose ball.
2. Matt Estes, Bruce Lee, Benny Trammel, Levi Summers, and Alex Meadows spend time together after their senior meal before their last home game against White House.
3. Alex Meadows scores on his Senior night for the first and only time all season due to an ACL injury.
4. Matt Estes shoots a floater over White House to score for Portland
5. Andrew Baldwin handles the ball while looking for an open man.
6. Coach Hooper explains the game plan during a timeout.

Coaches:

David Bilbrey, Bobby Moore,
Kris Hooper

"This season had its ups and downs but looking back it was a good season. I enjoyed making memories and being around my teammates. It's an experience I'll never forget. Good luck to the team in the years to come."

• Matt Estes

"I have a lot of memories from this season. Even though I was not able to participate in every game I still had the time of my life supporting all of my other teammates in everything they did. Good luck to everyone who plans to play in the upcoming years."

• Alex Meadows

GIRLS FRESHMAN & JV BASKETBALL

Path to Success

This year's freshmen and JV squads were definitely groups that took major steps toward putting Lady Panther basketball on the path to future success. Their work ethic and refusal to settle for anything less than their best were two things that contributed greatly to their achievements both on and off the floor. They never lacked the effort, desire, or pride necessary to improve and perform to the best of their abilities. With the continued passion and effort they displayed this year, I know that each one of them will find success on the basketball court, in the classroom, and in any endeavor they choose to pursue. As a coach, I could not have been more proud of this group, because the girls are all reflections of what it takes to be a champion.

Coach
Drew Smith

Let's Get Fired Up!

1. She jumps, she shoots, she scores. Megan Datillo uses her athletic ability to go to the basket with the defender in her face.
2. Kayla White is a blur and a defensive player can only get a hand in as she drives in through the lane.
3. Brooke Trammel in a triple threat as she scans the defense before making a pass.
4. Susan Willis protects the ball with both hands as she looks into the post before making her decision.

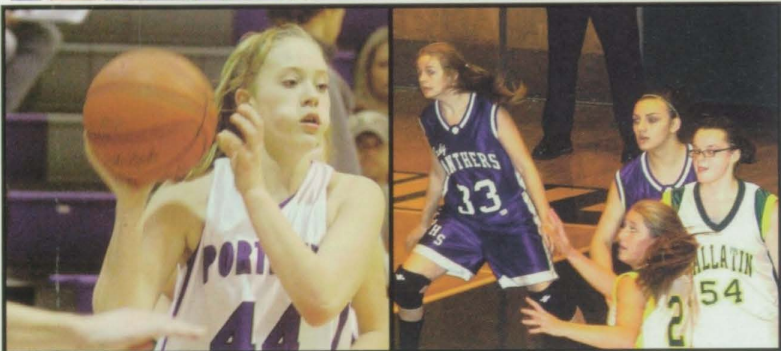

"Do the next right thing!"

Teamwork Hardwork

Teamwork and hardwork. The Lady Panthers used teamwork and hardwork to do their very best this year. Although the ball didn't always drop right in, the girls played for the love of the game. Basketball requires work, determination, and the will to go through rigorous practices each and every day. Time is devoted to bettering themselves and their team. The time will come when all of the efforts will turn into a time of VICTORY.

Good, Better, Best. Never let it Rest!

1. Taylor Dorris maneuvers around her opponent to get squared up for a shot!
2. The seniors are very emotional after the last game which ended their high school basketball years as a team.
3. LaKendra Rippey sprints with her fast speed to bring the ball up the court and maintain control of the ball as the defensive player is right in her face.
4. Coach Brown explains the game plan to the team as they show intense concentration on what is being said.
5. Kelsey Porter, the team's MVP, works to make a good pass to an open teammate.

"This season held a lot of obstacles and new transitions that we had to overcome. Still, we each learned a lot and made it through. My four years on the basketball team were amazing and has given me things I'll carry for the rest of my life. I'll miss my teammates and wish them all the luck in the world."

● Carrie Ann Johnson

"It's been quite an experience over the past three years. We have been a really close team and have learned how to overcome close calls. I will miss each and every one of them. Good Luck next year."

STRIKE

Boys Bowling:

Although we failed to make a mark in the win column the boys showed a lot of improvement throughout the year and were competitive in several matches. Eight out of eleven of our bowlers were first year bowlers so we were really young competitively speaking. We were led by our trio of seniors Ryan Wilmot, Rob McLeod, and James Hunt. They will be missed, but we look forward to being more competitive next season as our guys gain more experience. **Girls Bowling:** With five sophomore and one senior the girls were relatively young as well. With only six girls on the team depth was a problem for the girls this years. When we are at full strength we were a pretty good team. Tina Legieza, our lone senior, will be missed, but we look forward to upping our win total next season with some added depth and experience.

This year has been awesome. The team has strived and done their very best, and that's all I could ever ask for. I can't wait until next year.
- Coach O'Neal

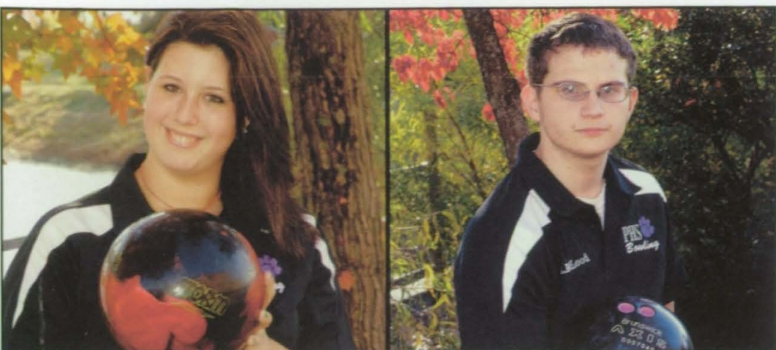

NO GUTTERS!

1. The bowling team get together for their group shot at this year's banquet which was held in the cafeteria at Portland High School. The team display their letters and the awards that were given to them by Coach O'Neal for their tremendous effort and the success of a great season.

2. Ryan Wilmot and Kelsey Perdue proudly display their prestige awards, that were presented to them by Coach O'Neal, that they received at the bowling banquet this year for all their success during bowling season.

"Being a senior has it ups and downs. It's awesome knowing it's my last year, but I am going to miss being with all of my friends and the bowling experience."

Ryan Wilmot

"The best experience I have had this year is when we competed at the Gallatin Strike and Spare Bowling Alley. I was up to bowl and I threw my ball in the air down the service walkway into the back hall. It was quite amusing."

CROSS COUNTRY

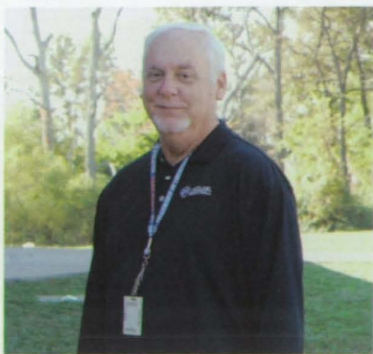

The last run...

The 2008-2009 Cross Country team had a very exciting season. Cross Country is a very demanding sport that requires a great amount of dedication and determination. The team worked together and helped to encourage each other to do their best. The team ran many miles together, and managed to still have a great and memorable time. Like most seasons, they had a few injuries along the way, but were able to work through them and remain competitive. This year's team grew very close throughout the season and built lasting friendships. The seniors, as well as Coach Henson, will be missed. This is Coach Henson's last year to coach the cross country team. The team wishes him the best and is thankful for all of the work and time that he has put into coaching the team.

Our sport is your sports' punishment.

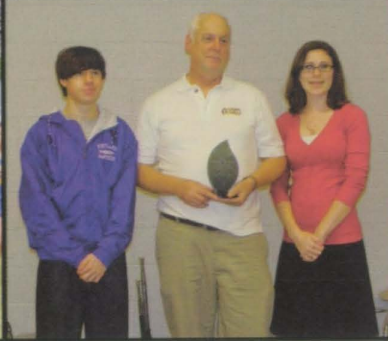

1. The girls' team huddles up at the starting line for a quick prayer and their "B-E-A-S-T-S Beasts!" chant before they begin their race.
2. The whole team gets together in their new matching jackets and puts up their cross country sign for one last group photo after the banquet.
3. Rebecca Winters works hard at region to finish fast enough to make it to state as an individual. She was the only runner from Portland to go to state this year. Congrats!!!
4. The boys' team kneels together to pray and get pumped up before the region meet.
5. The team goes out to eat at Pizza Hut for an end of the season celebration dinner after their last practice.

Coach Ray Henson

"This is my last year to coach cross country and I ended my coaching career with the best group of kids I have ever had."

"This year has been very memorable, and I had a really good time. Even though we didn't always do as well as we would have liked to, we made the best out of every situation and obstacle that we faced. We ran so much, but somehow managed to enjoy every minute of it. Good luck to all of next year's runners, hope you have as much fun as we have."

● David Key

"This has been one of the best seasons ever! I've had a blast. Cross Country has been a major part of my life for so long, and I'm gonna miss it a lot. I want to wish everyone the best. I'll never forget all the crazy memories that we made at practice, meets, and of course in the van (aka big ugly)... I love you guys!"

Friendship and dedication among the team members made the soccer season a memorable one for the 2009 season. The boys came together and established a strong friendship with each member of the team. Through the photographs you can visually see the teamwork and admiration the boys have for their team. Through the sprints, leaps, falls, and collides that they had, the love of the game was present. After long hours of practices and games, goals, and good times, the soccer team finished the year with their heads held high and with great anticipation for the next season to begin.

GIRLS SOCCER

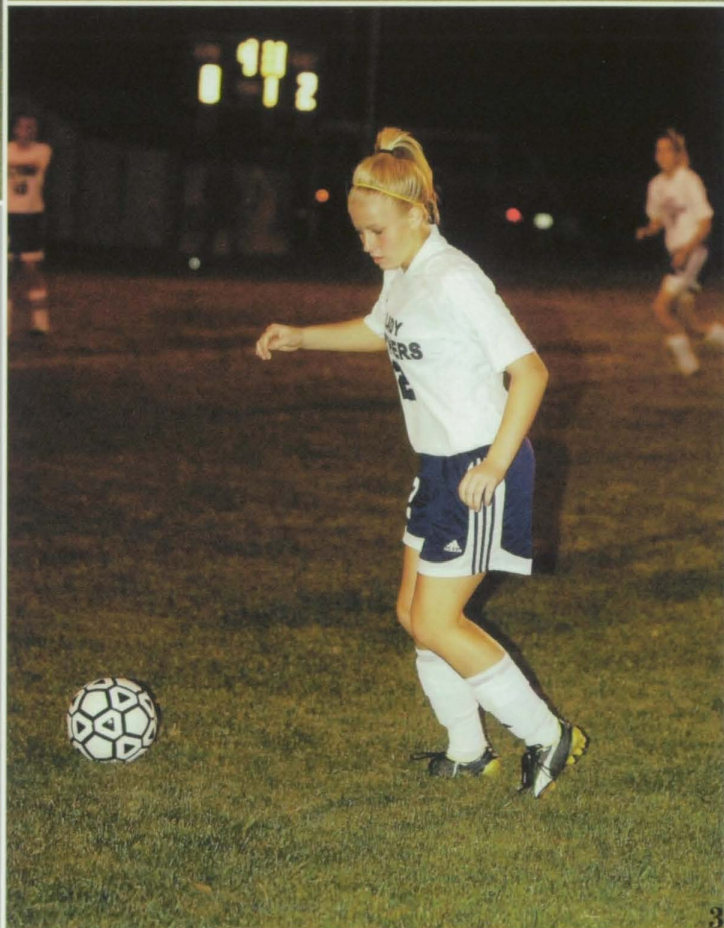

The Portland High School girls soccer team consisted of 23 girls, one manager, an assistant coach, and a head coach. This year the team came under the guidance of a new leader, Coach Kimes. She proved to be a very good leader as she guided the girls this season. The team went 9-1-1 this year. They got 3rd in the District which was an improvement from the previous season. The girls became close and were sad when their season ended. There was only one senior on the team this year which was Allison White, she earned the MVP.

1. Teresa Tryon is kicking the soccer ball out to the Portland players.

"From improving from 8th place in the District in 2007 to 3rd place in District in 2008, and from being eliminated in the first round of tournament play in 2007 to playing in the regional semifinals in 2008, I am so proud to have been a part of the girls soccer team this season. From the senior leadership, to the junior encouragement, to the sophomore willingness, and, finally, to the freshman hunger, the successes reaped this season were purely a team effort-a team that I am grateful to have been a part of."

"This season has been amazing!! I am so proud of my team. This is the best team I could ever ask for, and I love every one of the girls!"

TENNIS

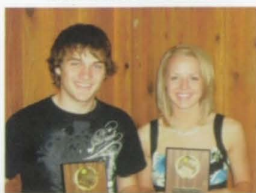

Girls Tennis

The 2009 girls tennis season was a blast for the players. Unfortunately, there was not a large number of wins, the girls just had a good time together. 5th seed player Lauren Rogers held the most wins out of the team. Sports are so much more fun when a team consists of friends. These girls really show that on and off the court. The top 5 players [right] all graduated, so the ball is in the remaining players' court now! They are going to do great in next year's season!

Boys Tennis

The 2009 boys tennis season was also lots of fun. Like the girls, wins were few, but the boys did not get discouraged. Each played his hardest in each match, keeping his chin up as an underdog against every school. 3 of the top 5 players graduated, leaving next season up to Connor, Spencer, and anyone else who joins next year's team. Good luck to the 2010 tennis team!

"This season has been so much fun! Even though we have had more losses than wins, we came together as a team, and as friends, and made the best of every second. As a senior and 4th-year player, it is so sad to be leaving. I'm gonna miss getting out of school early!"

TRACK

Ready, Set, Go!

The boys and girls track team has worked very hard all season. They trained hard through the hot and cold. This year's team has put lots of time and effort into all of their events. Even if they weren't the best, they kept their spirits up and gave it all they had. The team also encouraged and were supportive of each other. As a whole the team did very well this season. Many of them qualified for the sectionals at Lipscomb in their events. They continued to work hard all season and it paid off! Congrats to everyone.

JV VOLLEYBALL

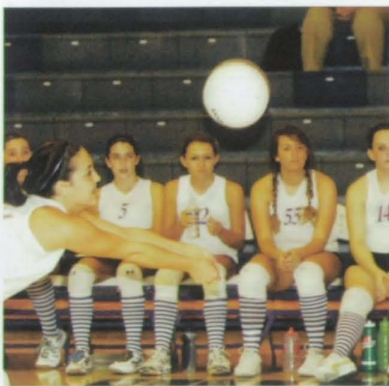

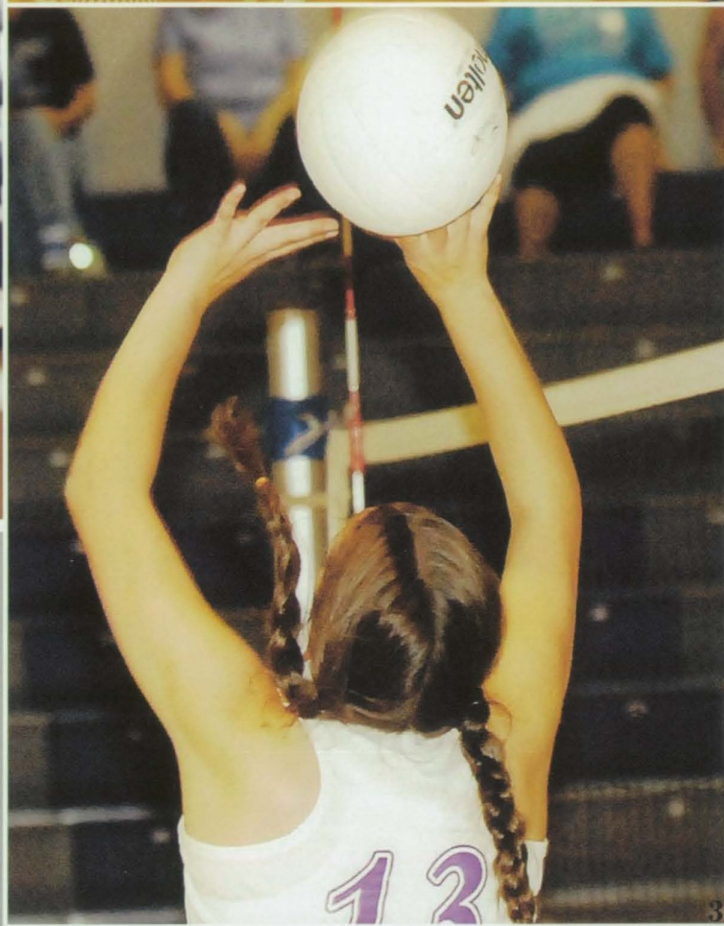

We will...
We will...
Rock you

We've shagged balls, filled water bottles, gone through initiation, and tolerated all the things the seniors wanted to do to us. We've listened and learned from both the coaches and the upperclassmen. We've worked our tails off, and we're waiting for our time to shine. We want the chance to prove ourselves to the ones that have come before us. We want the chance to prove ourselves to the coaches who expect so much from us. We need the chance to prove ourselves to ourselves. We learn in JV, but we'll dominate in Varsity. Our time is here...and we'll make the best of it.

Hey, that looks cool...what move is that?

1. Brittney Meador uses perfect form to pass the ball straight to the target.
2. Jill Poole isn't afraid to get down and dirty as she stretches out on the ground to get a hand under the ball and keep it from hitting the ground.
3. Morghan Parker uses the 1, 2, step, and push technique to get into a good position to set the ball; she does a great job listening to her hitters to know who is open and ready for a set.
4. Juanesha Rodriguez keeps her arms together and lets the ball bounce right off, resulting in a great dig that Morghan is sure to be able to set.

On the court or on the bench, we start as a team and finish as one.

"I had a lot of fun playing volleyball this year. I loved making new friends and memories. Good luck next year!"

Allison Johnson

"I had so much fun with everyone on the team this year. I can't wait to play next year, either. I think we had a really good season and I'm sure we'll do the same next year."

Vol-ley-ball

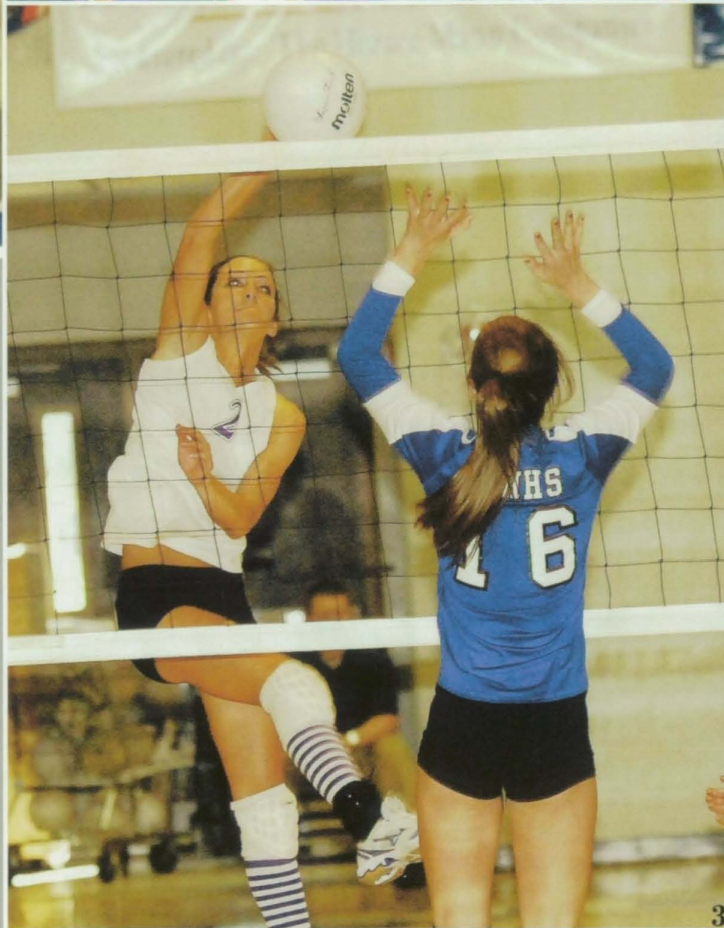

[vol-ee-bawl]

-noun

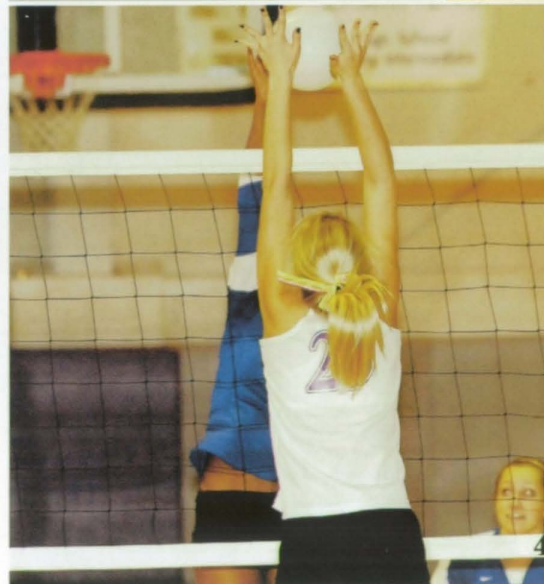

1. a game for two teams in which the object is to keep a large ball in motion, from side to side over a high net, by striking it with the hands before it touches the ground.
2. the ball used in this game

This is how we do what we do...

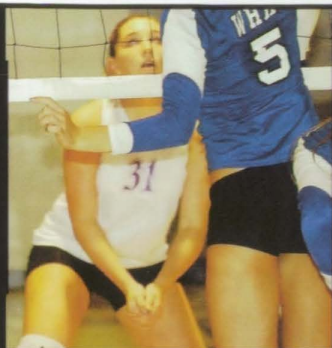

1. Thanks to a good set, Leah Crafton reaches high and swings hard and fast to get a kill for her team.
2. The opposing blocker just can't jump high enough to block Katie Willis' big swing, resulting in a kill for the Lady Panthers.
3. Amy Starnes jumps high and uses all her strength to get a kill despite the blocker in front of her..
4. Try as they might, the other team just can't get a hit past Ashleigh Burns' big block. "Happy Birthday", Ashleigh!
5. Chassity Key gets low and makes a great dig, sending the ball back up to the setter so her team can get a kill.

I love this sport more than anything and I'm really going to miss getting to play. Good luck to the girls next year!"

Katie Willis, Captain

"Playing volleyball the past four years has been great. The long hours of practice, the sore muscles, and the many bumps and bruises were all worth the friendships and bonds made with my teammates and coaches that I will never forget. I wish the best of luck to the girls in the future! I love you all."

What would your advice be to
a graduating senior of 2009?

Dear Seniors:

Congratulations on making it through your high school years. You have reached a goal that you set many years ago. You have not only met the requirements necessary to earn your diplomas, but you have also grown into young adults prepared to take on the responsibilities of a changing world.

Soon you will leave PHS and begin a new phase in your life. In not so many years, you will look back at your time in high school as some of the best years of your life. I hope that the lessons you have learned and the knowledge that you have gained will enrich your lives and enable you to be a productive citizen in our society.

I wish each of you the very best that life has to offer. You will always be a part of Portland High School.

Sincerely,
Bob Gideon, Principal PHS

To the Senior Class of 2009:
I leave you a couple of thoughts to ponder:

"I hope that your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and the most special places your heart has ever known."

--Author Unknown

"If at first you don't succeed, do it like your mother told you."

Good Luck and Congratulations!

-Assistant Principal Robin Venable

To the graduating class of 2009:

Never stop learning!! Many things in life can be taken away from you. However, once you learn something, no one can take that away. Life is a constant evolving and learning process. You never reach a level of "perfection" in this life. As you learn and evolve, be open to change...it will happen anyway.

-Assistant Principal Allen Dyer

Always remember that in 2009 "this was your house."

Seniors, do not wish away your life. Enjoy the stage of life you are in because when it is gone you can't have it back. Your character is determined by your actions and your actions are determined by the choices you make.

I hope and pray that all of you will make the choices that will make you happy. Good luck to all of you.

-Assistant Principal Cam MacLean

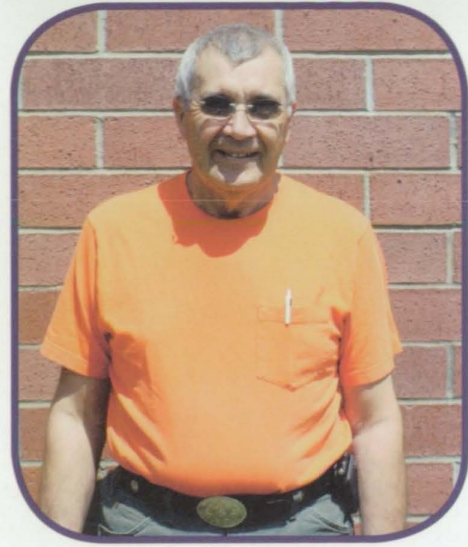

Retiring Faculty

We will miss you!

Joey Venable

Ron Gann

"When I first came to Portland High School in 1979, I was only planning to stay for two or three years at the most, but as time went by I became attached to the school and the community. Portland High School has been a large part of my life for thirty years. I have some great memories to take with me. I have so much enjoyed being an educator and coach here. I hope I can be remembered as being fair and loyal to the students, players, and the school. Enjoy the time you have here and get the most out of it as you can."

Ronn Gann worked in maintenance at Beech High School, drove a service truck for HVAC, and then finally in 2004 started working at Portland High School in maintenance. "I liked the faculty and students at Portland, they were always willing to help. I will miss everybody here. Portland High School is my favorite place I have worked."

Teacher of the Year

Jamie Martin

The most important aspect of teaching is motivating young minds to achieve great things. It is wonderful to have the opportunity to inspire others. I am blessed to have this opportunity everyday! A profession in education is very rewarding. You have freedom to use your creativity to adapt lessons to suit the needs of your students and accommodate your own wacky style of communication. I constantly tell my students that I have the greatest job on the planet. My goal as an educator is to creatively discover ways to enable students who need alternative instruction. In my opinion, there is no better career than one in education.

< "In 1996, I began working at PHS as a custodial sub. March of 1997, I was hired as part of the custodial staff full time. I have been working in this building since it was built. I have been the head custodian since December of 2005. I like doing my best and having the people that work for me do their best to keep PHS the cleanest it can be. It gives me a good feeling inside when others comment the school being clean. Also, I am very proud of being able to work where recycling is important to everyone!"

Rhealee Drummond

We love you and are so proud for you. Remember in God all things are possible.

"Lord I am well aware I can't make it on my own, so take my hand and hold it tight for I can't walk alone."

With much love,
Mom, Daddy, Daughtry,
Courtney, and Kailex

Rebecca Winters

Saying we are proud of you does not convey our true feelings, it goes much deeper than that. If another day does not pass, you have already achieved success in the areas of intelligence, integrity, responsibility, and character. You are beautiful inside and out.

"There comes a time when we must choose between contemplation and action. This is called becoming an adult."

-Albert Camus

We all love you!!
Daddy, Lisa, and Wesley

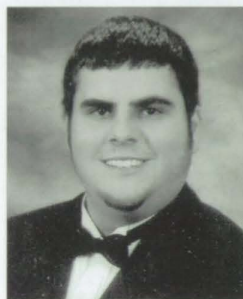

Nathaniel Simms

Nathaniel,

What a journey! From the beginning, we knew you would choose your own path and make your own decisions. Though not always in synch with mom and dad, we know this is who your are-a strong, independent, caring young man. Continue to let God take the lead and we will always love and support you!!

Dad, Mom, and Dakota

James Hunt

Congratulations James YOU MADE IT !

We are so proud of you and the decision you've made to serve your country in the Army National Guard. From a cute little boy to the man that you have become in Christ. We love you!

Mom, Dad, and Shel

Bridget Nicole Douglas

You will now start a new journey in life
 And it has just begun
 Everything you have accomplished
 And not one thing was left undone
 We know God has special plans for you
 And we are sure you will succeed
 And He'll be there to help you
 With anything you will need
 We know you will have much success
 As you go along your way
 And the sweet and caring person you've become
 We know you will always portray
 We love you and wish you the best
 Mama, Daddy and Drew

Rachel Groves

Rachel, you wanted to be a "big girl" ever since you could talk, aspiring to be older and smarter than your age. You wiggled into spaces to see what you could find and climbed into chairs to reach higher than perhaps you should.

You wanted to curl your hair and be so fancy, always choosing frilly skirts and dresses with just the right shoes to match. You wanted to be so feminine and cute, never interested in sports or getting dirty.

Coloring and playing school were your favorite pastimes, spending hours telling dolls and stuffed animals just what to do. You made sure each one had their work done correctly on time!

Well, that sweet little girl has finally become that much anticipated "big girl" now! You're still not afraid to reach into the unknown and have confidence in your decision. You exhibit your own unique and sophisticated style that tells the world how truly special you are.

More importantly, you have become a leader through your utmost sense of responsibility and the shining example you set before others. Rachel, we're so very proud of the incredible young lady that you've grown up to be! Congratulations on your graduation and all of the amazing milestones that you've accomplished so far.

We love you,
 Mom and Dad

Shannon Hunter

Congratulations Shanny! We are so proud of you. We've known since you were born that God has wonderful plans for you. Continue to keep Him first and He will direct your steps. May you always walk in His favor and blessings.

We love you very much.
 Mama and Daddy

Jessica LeAnn Green

Jessi,

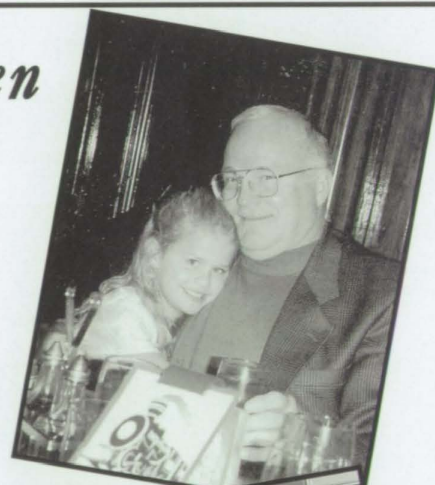

It seems like yesterday that you came into this world. You were our 3rd grandchild and our only granddaughter. You were born on your Pa's 45th birthday.

We have had the privilege of watching you grow up to be a very lovely young lady.

You have a good heart and see the good and beauty in everyone. You are a "Ray of Sunshine" in our lives.

God bless and keep you safe as you go out in this world. You are special!!

We love you bunches,
 Pa and Grannie

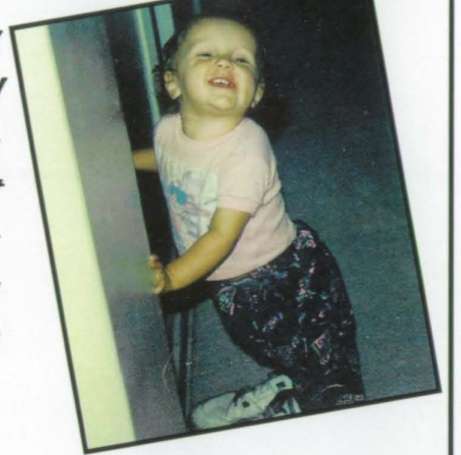

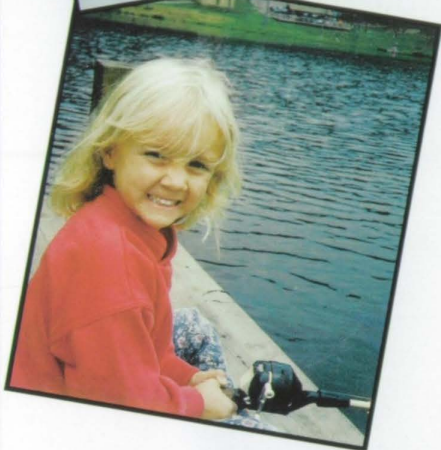

Amanda Alves

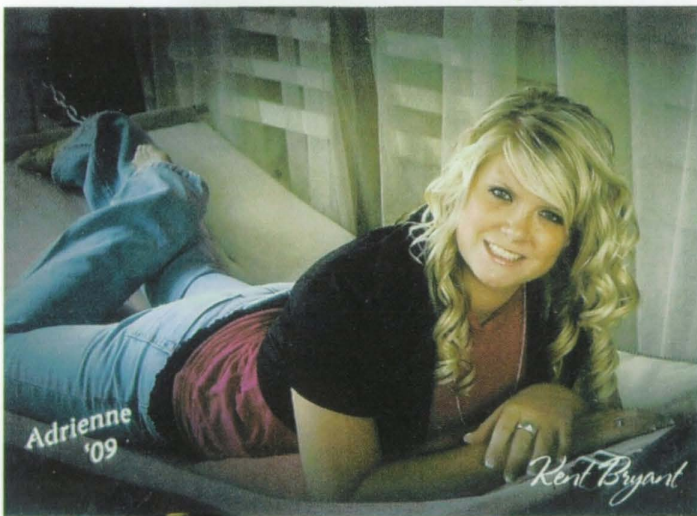

Amanda,

You're such a brave young woman and you have made me so very proud. You've soared over obstacles and through some dark lonely waters and, here you are! Strong and courageous. You didn't let the death of you dad, the birth of your son, or any of life's speed bumps take you down. You faced everything head-on, you never gave up, you persevered through all the 'typical' teenage challenges and many others that weren't typical. You're strong, determined and passionate, with good intuition. The youngest of my three girls, I hope you always knew that "measuring up" was not in our family's vocabulary. Your accomplishments are your own, and they are magnificent. Live by your instincts, own your choices, and love like there is no tomorrow.

You are one of our greatest joys in life! When we first saw you, we knew you were "just right" and that God had given the world someone very special! We give thanks to God for the privilege of being your parents. With overwhelming love and pride, it's been the greatest pleasure watching you grow up into a beautiful young lady who loves Jesus, your family and your life! In our efforts to let you begin feeling the chill and excitement of adulthood, we challenge you to LIVE and BECOME! Here for you with unconditional love no matter what we always hope for your best!

Dillon Lambertb

Dillon, Where do we begin? From the moment you were born you have made us proud. You have gone through school collecting as much knowledge and as many friends as you could. There have been times when we had to let you find your own way, but you always seemed to do it with a smile on your face and with a goal in mind. As you begin this new phase of your life, always keep Christ at the center of your life. We love you and are proud of you.

Love,
Dad, Mom, and Todd

ALEX MEADOWS

It goes without saying how proud we are of you. You had some major obstacles this year, especially being injured and missing your entire season of basketball. You sailed through them all. We know that your future is limitless. Make sure that you don't lose your "goofy" personality. Dream a big dream for yourself and remember to always keep a servant's heart. "For even the Son of Man did not come to be served, but to serve" Mark 10:45

 Beyond words that could ever express our true emotions. We are so very proud of you and are thankful to have witnessed your growth into the beautiful young lady that you have become.

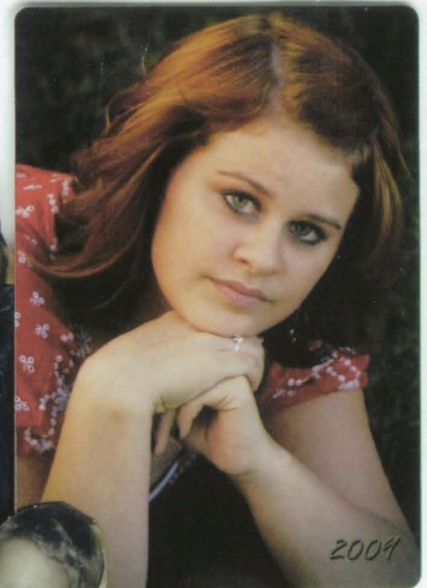

Your future is before you and full of opportunities. Always follow your heart, never stop reaching for your goals, and always believe in yourself. Keep growing in your faith because God always holds the answers.

Remember that you are carried daily within our hearts, along with your happiness. Our love for you is unending. If given the chance to be anything in this world there is nothing we would rather be than your parents.

And there is no one we would rather have as our daughter.

Love always,
 Mommy & Daddy
