Face your lessons and challenges head on.  
Own what is yours, good or bad.

Battle sorrows, spend joy and kindness generously  
Fix what is fixable quickly. Don't leave it for tomorrow.

Pity does not belong in your wardrobe of feelings.

Wear self-respect, pride and love.

Throw out should've, could've, would've and what if.

Look carefully at the past.

Explore what you do not know.

Embrace the present,  
And welcome the future.

As I've always told you - you mean the world to me. You've made it to the first big step in your life and I'm so proud of you. I look forward to your accomplishments in the future. Your great personality will take you far in life. Dad will always be here for you. I Love You.

"D", I remember the first day Brandon, Hunter and I met you - it seems just like yesterday and here you are graduating. When I look back over the last 15 years I want you to know that I am so proud of you. You made a big decision years ago that changed your life and ours too and for that I want to thank you. You recently told me that you felt lucky because you had two moms - I want you to know that meant the world to me - just like you do. I have really enjoyed being a part of your life. You are a very smart young man who can accomplish anything you put your mind to, but Brandon your biggest asset is how loving and caring you are - don't ever forget that. Remember that your Dad and I will always be there for you. I Love You, Karen.

Thank you for being the son that makes us so proud. We love you.

# Josh Green

Joshi,

We are so very proud of you! We are very fortunate to have a son like you. We wish you a "wonderful" future. We love you!

Mom and Dad

Sometimes we need reminders in our lives of how much people care. If you ever get that feeling, We want you to remember this...

We love you, Son.  
Beyond words that can even begin to tell you how much,  
We hold you and your happiness within our hearts each and every day.

We are so proud of you, and so thankful to the years that have given us so much to be thankful for.

If we were given a chance to be anything we wanted to become, there's nothing we would rather be ... than your parents.

And there is no one we would rather have ...as our son.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.
