*Seniors of 2006,*

*Its over, its finally over. We've got thirteen years behind us and many more ahead. It has been quite an honor to be elected your president, to represent our class, and to serve beside my fellow officers.*

*Although I'm sure everyone is glad to leave and anxious to forget, I'm sure you all will find yourself remembering and cherishing the memories. These past four years have been some of the greatest times of our lives, I hope you will look back one day and say, "Man, that was a good time!"*

*Now that its over, its time to separate and move on to bigger and better things. Whatever you do in life do your best and do what makes you truly happy. After all you only live once, make the most of it, try not to worry about the little things, and make the right choices.*

*I'll miss all of you and all that we've experienced together. Have fun and good luck!*

*Peace,*

*Tyler Nelson*

"This season brought many ups and downs for the Lady Panthers. This team had to overcome a lot. Nobody on the team will forget going undefeated at team camp over the summer! Going into the season, this looked like the best team Portland has seen in many years. Injuries ended that outlook quickly. Two starters with knee injuries. But, there were many positives throughout the season. We made it to region to play state contender, York Institute. But the biggest game was the upset over Goodpasture in the regular season. That was partially due to the crowd support. The school spirit this year made a big difference for us. Keep it up!! Go Panthers!!"

The 2005-2006 Cheerleading squad consisted of Seniors, Mary Beth Allen, Alex Price, Ashley Smith, Kelly West and Chantelle Woodward. Sophomores, Courtney Ball, Kassi Bradley, Ashley Baker, and Brittany McGuin. The cheerleaders this year came together as a whole and worked hard to improve community spirit. The girls had lots of laughter and fun memories at summer camp, football games, and basketball games. This year Coach Janet Smith went with a smaller squad, with only nine girls, so this made the bonding even more special. They all enjoyed sleepovers and going out to eat. No matter how the game was going, the girls were always trying to pump up the crowd with their pep and cheer on the players with their high spirit. It was a great season, and these were a great group of fine young ladies.

# Cross Country

## Run Forrest, Run

Our Goal this year was the same as it has been for the last six years that I have coached. To make the state Cross Country meet. We start working in July, getting in shape first, and then, getting the times down. In late October, our runners have to be competitive enough to qualify at regionals. This year our folks worked hard enough. The girls team finished high enough to go to state. The guys would have qualified also, but they lacked enough participants to qualify. We needed five and we only had four. Two of our guys from Portland High School qualified for state as individuals.

Coach Ray Henson

## Teacher of the Year Missy Humphrey

*"It is such an honor to be voted "Teacher of the Year" for the 2005/2006 school year at Portland High School. I am joining the ranks of some very good teachers that have previously received this award. I hope that I am able to do it justice and continue to teach to a level that would deserve teacher of the year. Much of the credit of this award goes to those who help with all of the clubs and teams that I have been able to sponsor and coach. A big Thank You goes out to all of those people."*

*- Missy Humphrey*

## Mr. John Harper

*In loving memory of Mr. John Edward Harper. Mr. John Harper was born on June 21, 1929 and entered into rest on November 20, 2005. Mr. John Harper was a custodian at Portland High School for many years. He will be missed.*

*John Harper came to PHS with many years of custodial experience. However, his years of experiencing the essence of life were what made him so interesting. Mr. Harper had stories about himself and his family for any occasion. He would laugh at his youthful antics and could always put a smile on your face. He seemed to enjoy his work extraordinarily and truly loved everyone around him. Most of all, he was a family man, caring for his wife, children, and grandchildren above all else. Mr. Harper's absence from PHS has left a prominent void that cannot be replaced by anyone else.*
