OSCAR HAMMERSTEIN 2nd

Now this evening has ended and we reflect on what the day has brought. We lift our hearts and voices in song again—a song of gratitude and love for all that our school and friends have done for us. Memory has painted this perfect day in colors that never fade.

OKLAHOMA

WANT A NEW DAY?

HE SURREY WITH THE PRINCE OF TOWN

OH, WHAT A BEAUTIFUL MORNIN'

PEOPLE WILL SAY WE'RE IN LOVE

...in the succeeding pages in the morning and evening

Glory Now To Thee Be Given

"MY TRIBUTE"

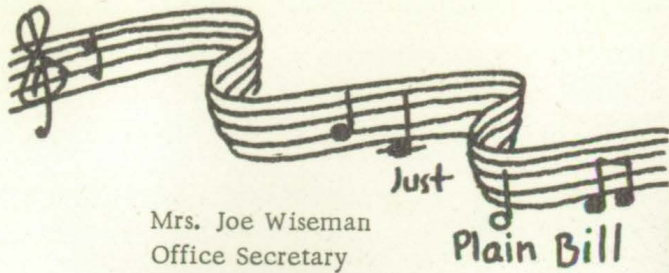

Within my heart, sweet strains I hear,
Mother mine, oh Mother mine.
Your accents low and sweet and clear,
Mother mine, oh Mother mine.
The prayers you said, the songs you sung,
The tales you told when I was young,
Inspire my life, my heart, my tongue,
Mother mine, oh Mother mine.

The sterner virtues that you taught,
Father mine, oh Father mine.
The vict'ries won--the battles fought,
Father mine, oh Father mine.
Your courage gave and made me strong,
To shield the weak, put down the wrong,
To upward lead the eager throng,
Father mine, oh Father mine.

The home, the school, the church combine,
Mother, Father, Parents mine,
To touch the soul with life divine,
Mother, Father, Parents mine.
Oh grant us this--our heart's desire
To fill our souls with living fire
Till each shall other's lives inspire,
Mother, Father, Parents mine.

- . P is for patience with us through all our years in school.
- . A is for advice given to help us always follow "the Golden Rule."
- . R is for the responsibilities which they never tried to shirk.
- . E is for the enthusiastic interest which they had for all our play and work.
- . N is for their constant nurture of our physical, moral, and spiritual ways.
- . T is for the tactfulness and tenderness which they all displayed each day.
- . S summarizes all their virtues in one word--complete selflessness.

Principal's Message

Mrs. Joe Wiseman
Office Secretary
Typist for Annual

Mr. William M. Hunter, B. S., M. A.

Dear Students:

I would like to express my appreciation of the co-operation, loyalty, and devotion you have given in your part of the school program. It is my belief that one receives from school in proportion to what he gives. I hope your contribution has been sufficient that you will receive many lasting rewards.

You have made a host of friends in the classroom and on the campus. I can assure you that these friendships will prove invaluable to you many times in the future.

It is my wish that the help we have given you in school and the inspiration this book affords will serve you as you leave us for new fields of activity and service.

Your friend,

A handwritten signature in dark ink, appearing to read "W. M. Hunter". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Class Prophecy

Tonight witnesses the big Homecoming football game of 1972. I arrived early by plane to cover the game for Associated Press. The charming airline hostess was my former classmate, Betty C. Suttle, who told me about many of our old friends.

She asked if I had heard of Drs. James W. H. Pike and Lawrence Gamble and their latest discovery in the field of nuclear-physics. She told me about Joyce Brown's successful basketball season as head coach at Fountain Head High School. In the course of our conversation she asked if I had read June Poole's latest edition, "A Guide to Safer Driving".

I arrived at the ball game in time to be greeted at the gate by the principal of S. C. H. S., Don Shanklin. I was very much interested in finding out the whereabouts of some of the members of the graduating class of 1957.

He told me that Rebecca Groves had returned to S. C. H. S. to become the office secretary.

He related an article that he had read in the Life magazine concerning Barbara Hunter, who is the world's leading woman big game hunter. She had just finished her 13th expedition to the Belgian Congo with Gene Denning, her chief guide.

Wayne Vanatta, to our surprise, has been nominated as Best Actor of 1972 for his performance in "The Elvis Presley Story".

Don points out Carolyn Elliott, Spanish teacher and seniorsponsor, who has just told him that she has received a phone call from Linda Wiseman, accompanist to the now famous sextet who started on the road to fame during our high school days. The sextet, you remember, is made up of Audrey Searcy, Patsy Roney, Sue Hurt, Sally Coker, Dot Freedle, and Frieda Hinton. Linda was anxious to report that their latest record had just passed the millionth mark.

Patricia Walden has made quite a success of writing high school English textbooks. In fact, Don said that Portland is using her books now.

Sue Rouse leads a very exciting life as head of the most successful modeling agency in the South. The top models of her agency are Barbara Patton, Glynda Freedle, and Juandel Fleming.

Look who just walked through the gate! That erect bemedalled officer is Admiral Garry Atchison, who has made quite a name for himself in the U. S. Navy!

Dorothy Mink is the secretary to Mr. F. C. Douglas, Lawyer, better known to us as Buddy.

Don asked if I had seen the new hospital erected in Portland with Charlie Brewer, doctor, and Daphne Hodges his very capable nurse.

It seems that the athletic department is in good hands with Mary Mallard, girls' physical education coach and Kenneth Stout, basketball coach. I believe the food situation is well taken care of with Jeanette Perdue, head of the cafeteria. As I go into the stands, I see Coach Buster Collins pacing nervously up and down the field awaiting the kickoff.

There's Dean Hall giving some last minute instructions to the cheerleaders. She is now commercial teacher and cheerleader sponsor at S. C. H. S.

A familiar voice is coming over the public address system. I recognize it as that of Ralph Cook who makes a very fine sports announcer. I listen as Ralph tells us that the first half of this ball game is being brought to us by Portland's friendly Rexall Drug Store, managed by Rondal Poole, Fred Perdue, and Lucien Claiborne.

As I go to my seat I see Mrs. Donna Johnson with two of her children. Through her, I learn that she, Dorothy Keen, Diana Williams Stevenson and Nellie Woodall Hammond have the radio program "Household Hints" over Portland's new radio station WPOR. Since they are housewives they give all homemakers many helpful hints.

Bruiser Brown is coming up the steps to report that he and Bill Farmer have just opened Portland's first drag strip. Bruiser says that Donnie Chandler, Claude Cherry and Calvin Walter have built up a thriving business in a combination billiard parlor and grill. Bruiser asks if I have eaten any of Bobby West's newly developed strawberries. Bobby is widely known in the field of agriculture.

I see Sue Pearson, Irma Sullivan, and Carol Sterrett, who are still working for Southern Bell Telephone Company as operators.

Ralph interrupts our conversation to announce that the last half of the ball game is brought to us by the Golden Bell Beauty Shop, owned and operated by Polly High and Dorothy Buntin.

Shirley Mee has a steady job as teller at the Farmers' Bank.

I hear a familiar voice still urging the Panthers on and I know it is "Hadacol" Wallace. Bruiser says that Hadacol is cartoonist for the "Portland Tribune". This widely circulated newspaper is owned and edited by Joe Hinton.

As I leave the stands Jackie Searcy invites me out to Shell City. Jackie now owns our old hang-out. I'm sure the first nickel dropped in the jukebox will be for Elouise DeJohn and her latest hit recording "When It's Strawberry Pickin'-Time in Portland".

Do I know the highway patrolman directing the long line of traffic headed out Gallatin road? Oh, yes, it is Herky Payne.

When I finally collect my thoughts, I realize that my job as reporter has been neglected. But who can think of football when I see and hear so much about my old friends and classmates!

I must hurry if I am going to catch my plane.

A PERFECT DAY

Well, this is the end of a per - fect day, Near the end of a jour - ney,

The image shows a musical score for the song "A Perfect Day". It consists of three staves. The top staff is the vocal line, starting with a piano (*p*) dynamic. The middle staff is the piano accompaniment, also starting with a piano (*p*) dynamic. The bottom staff is the bass line. The music is in a key with three flats (B-flat, E-flat, A-flat) and a 4/4 time signature. The lyrics are: "Well, this is the end of a per - fect day, Near the end of a jour - ney,"

When you come to the end of a Perfect Day
And you sit alone with your thought
While the chimes ring out with a carol gay
For the joy that the day has brought.
Do you think what the end of a Perfect Day
Can mean to a tired heart
When the sun goes down with a flaming ray
And the dear friends have to part ?

ACKNOWLEDGEMENT

We are indebted to Miss Marie for giving time, thought, and suggestions for the musical theme which runs throughout the book. Mrs. Wiseman spent hours typing our material. Mr. Hunter gave full-hearted support in every way possible. Mr. Coker made dozens of kodak pictures. Other faculty members and many students have given invaluable aid. Mere words fail to express our sincere appreciation.
