"The Panther of 1959" is dedicated to JANICE WALDEN, our friend and classmate. The purpose of this dedication is to pay tribute to a girl who richly deserves this honor.

JANICE is loyal to her school and to her town. She has an optimistic outlook on life which is apparent always in her sweet smile and in her enthusiasm. Her friends are many, because "to know her is to love her."

## Principal's Message

Best Wishes to you, who are graduating this year, from SUMNER COUNTY HIGH SCHOOL. I feel sure that these pages will remind you of many happy days spent in high school; and I hope they have been profitable days - days that have prepared you to meet the problems ahead.

For you who are still in school, may I remind you that a higher degree of competency is demanded of youth today than ever before. Our race for the preservation of a free society will not be won by a lot of average students, average scientists, or average production workers. To maintain our place among the Nations of the World, we must strive for top quality and high performance.

We hope the Sumner County High School will inspire each and every student to do his best toward achieving this goal.
