Tenaflly library holds open house

TENAFLY - The Board of Trustees of the Tenaflly Public Library will be holding an open house celebration at the library on Sunday, Nov. 5, from 2 to 4 p.m. in honor of the appointment of Alfred N. Garwood as Library Director. All residents of the borough are cordially invited to attend.

Garwood, who assumed the position of director on Oct. 2, was previously the director of the Randolph

Township Public Library, located in Morris County, New Jersey. Garwood received his Bachelor and Masters degrees in Philosophy from New York University, and also holds a Master of Science in Library Science degree from Long Island University.

The open house will be a good opportunity for new Tenaflly residents to acquaint themselves with the library and for long time residents to meet the new

Director and find out more about library programs and services.

All borough residents will be most welcome. The library is located at the south end of the Municipal complex at the corner of Tenaflly and Riveredge Roads. For more information call the library at 568-8680.
