

Attitudes

How does one act
After an attack
on our Freedom?

Whom do we trust?
To whom do we listen?
As our eyes glisten,
What do we believe?
Whom do we believe?

We can say prayers.
Emotion we relieve.
Our Loving Father,
Comfort all who mourn,
As you gather your children
Into your loving arms.
Be with us in our days
As we turn to Thee.
Let us raise
Our voices in praise
of America's Freedom
and Liberty.

May we all together share
Our love and our care
For America's Freedom
and Liberty.
