

Dave Weithop

b. 1962 d. 10/18/2006

Dave grew up in Cape Girardeau, Missouri, and worked for newspapers and magazines throughout the Midwest and Central Florida. For three years, he was at Watermark. As editor, he was as adept with hard news as with celebrity interviews, which included Tammy Faye Bakker, Kathy Griffin, Roseanne Barr, and Eartha Kitt.

He never encountered a stray cat, or even a plant he wouldn't care for. Dave was also a devoted member of Joy MCC.
