

Gerald Ray “Jerry” Bulger

b. February 8, 1942 d. November 16, 1984

Jerry Bulger was a REALTOR® and the Licensed Real Estate Broker of BULGER REALTY, a company he formed where GLBT agents would have the freedom and support they deserve in order to achieve success in the real estate industry. Because he was aware of discrimination against GLBT persons, Jerry assembled a network of GLBT mortgage brokers and real estate agents who were committed to serving its community in obtaining property. Jerry's real estate advertisements always promoted "Gay Pride of Ownership." Jerry was the first gay person in Central Florida to openly advertise in a publication with his name, telephone number and photograph.
