#### Busch Gardens clarifies its discount policy

Busch Gardens sends us greetings and offers a \$5 discount off the \$17.95 one-day admission price. There are some changes this year, however.

Employees only will receive the discount when purchasing tickets. This year Busch Gardens will not honor retirees', spouses' or dependents' passes. Also, employees may purchase tickets only for immediate family members (spouse and dependents living with them).

To receive the discount you (the employee) need to be present when the ticket purchase is made and show your valid employee pass (I.D. card). Visitors of all ages will enjoy the rides and shows presented at Busch Gardens. Use your discount and enjoy the summer season.

#### American families invited to host French and Spanish exchange students

Host families are being sought for French and Spanish exchange students for one month this summer. The youths range in age from 14-19 and each has had at least two years of formal English language training.

While they will not be enrolled in classes during their stay, the students will be coming to experience life in America while participating in daily family life.

Host families provide room and board for the student and offer the same guidance and care they provide their own children. By sharing their daily lives with a student from another country, family members will have an opportunity to learn about another culture and language.

Interested families can receive more information by contacting Lee Hubert at 229-6316 or writing WEST/SH, c/o Lee Hubert, 412 Merrimac Trail, #6, Williamsburg, 23185.
