

interpreter

Index, 1980–1994

This index will help you locate information in back issues of the Department of Interpretive Education's publications *The interpreter*, *Fresh Advices* (a Research department supplement), *Questions & Answers* (this was a separate publication from 1980–88 when it was incorporated into the *interpreter*), and the *Glossary* that accompanied the February, 1990, time line. The index spans these last 14 years and lists authors, article titles, book reviews, and major topics and personages discussed and referred to. Entries look like this:

"Agricultural Story, The" I Jy86 3

probate inventories F Ja81 ii

horseshoes, golden QJe81 #2

Asbury, Francis G F90 3

In each case, the first letter indicates the publication name; the month and year of publication appear next, followed by the page number or question number.
