## Merchandising Schedules Annual Employees Sale For October 30, 7-9 p.m.

Bob Spurgeon, general sales manager for Merchandising, says that this year's special sale for employees will be bigger and better than ever.

To be held in the Conference Center North Ballroom, the event has been scheduled for Monday evening, October 30, from 7:00 to 9:00 p.m. All employees and members of their immediate families are invited to attend.

"As usual," said Bob, "we'll have quite a bit of brand new merchandise from the hotel gift shops, from the Publications Sales Desk, and from the Craft House on sale." In addition, items that have become shop worn during the year will be available at drastically reduced prices.

All sales will be final and items must be purchased with cash.

## Yorktown Day Event Features Purple Heart Award Ceremonies

Two artillery crews from CW's colonial militia will be on hand to fire the opening cannon salvos signalling the start of the military parade which will be a major feature of this year's Yorktown Day observance October 19.

The event, which marks the 186th anniversary of the surrender of British General Lord Cornwallis to the allied French and American forces under General Washington at Yorktown, consists of a morning wreath-laying ceremony at the Yorktown Monument and an afternoon patriotic program on the Yorktown Battlefield beginning at 1:00 p.m.

Speaker for the afternoon event will be Brigadier General Bernard W. Rogers, commandant of cadets at the United States Military Academy at West Point. General Rogers, who recently returned from a tour of duty in Vietnam, will be introduced by Air Force Lieutenant General William H. Tunner (Ret.) of Ware Neck, Va.

A special feature of the afternoon exercises will be the presentation of the Order of the Purple Heart to several veterans of the Vietnam War. This ceremony, as well as the rest of the afternoon program, will be held at the site of Redoubt No. 10, where the heroism of Sgt. William Brown earned him one of the nation's two initial Purple Heart awards made during the Battle of Yorktown.

## Mr. Wetherburn's Dairy Gets Restoration Attention

Returned - after 200 years - to its original brick foundations, the dairy behind Mr. Wetherburn's Tavern is now undergoing painstaking restoration.

This fall construction crews moved the small building behind the tavern some 20 feet to its 18th century site. The trip was the third for the structure which, in addition to a dairy, has served as a smoke house and in more recent years as a residence. Previous moves had been made in the 18th century and early in the 20th.

The restored dairy will be part of a complex of outbuildings behind Mr. Wetherburn's Tavern. The white structure shown behind the dairy is the reconstructed kitchen. A smoke house and a privy will also be reconstructed on the Wetherburn lot. Ultimately, the original stable, now a garage on the corner of the lot, will also be restored.

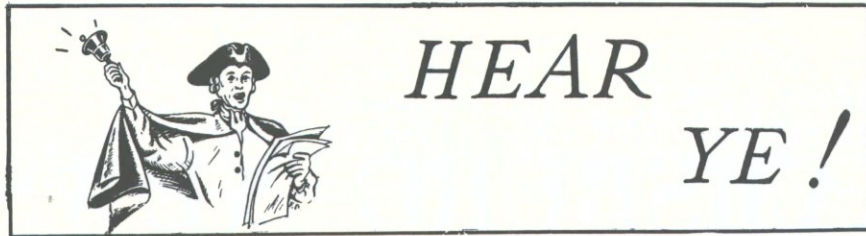

The tavern and its outbuildings will be open to the public next year.

## Prime Ministers Of Northern Ireland And Singapore Visit Here

Saturday and Sunday the Prime Minister of Northern Ireland, Terence O'Neill, was in Williamsburg for a visit, and on Monday and Tuesday CW entertained the Prime Minister of Singapore, Lee Kuan Yew.

Prime Minister O'Neill, accompanied by his wife and three other persons, was here on an unofficial visit as a part of his 21-day tour of the United States and Canada.

Prime Minister Lee, en route to an official state visit in Washington, arrived in Williamsburg barely 24 hours after Prime Minister O'Neill's plane had left Patrick Henry Airport. Both dignitaries stayed in the Allen Byrd House.

.....coming off the presses this fall will be three new books, a juvenile by Allen Dwight, a study of Governor Spotswood, and a research report by Jane Carson on cookery in colonial Virginia.

## Hosts, Hostesses Visit Washington, D. C. On Annual Training Trip

Nineteen members of the Hostess Section took a trip to the nation's capitol early this month as part of the regular in-service training program for all CW hostesses and hosts working in the Exhibition Buildings.

Leaving here at 7:00 a.m. on October 2, the group arrived in Washington in time for a full afternoon visiting the Capitol, the Supreme Court and the Library of Congress. The following day began bright and early with a tour of the National Archives and a visit to the Colonial Rooms at the Smithsonian Institution. In the afternoon the group toured Georgetown, Dumbarton Oaks, and the National Cathedral.

Shirley Low and Elizabeth Callis, hostess training supervisors, said that the CW group got the red carpet treatment wherever they went. At Dumbarton Oaks they saw rooms never open to the public and examined rare, centuries-old garden books in the museum's priceless collection.

Perhaps saving the best for the last, the group saw the White House and visited the British Embassy on their final day in Washington. Shirley reports that the private tour given them at the White House was fascinating, taking them into rooms seldom shown to visitors including the President's Office. They also glimpsed Linda Byrd Johnson who had a wave and a big smile for the group.

The highlight of the trip came when they were invited to tea at the British Embassy with Sir Patrick and Lady Dean. The Deans themselves gave the group a tour of the embassy with Sir Patrick exhibiting his private collection of 17th and 18th century silver. "We were thrilled," said Shirley, "to see the Colonial Williamsburg silver presented to Sir Patrick when he spoke at the Prelude Ceremony several years ago displayed prominently."

The Washington trip is one of several scheduled each year as part of the continuous training program for CW hosts and hostesses. Those on this year's Washington trip were: Marion Loedding, Georgianna Wann, Sarah Mann, Bland MacGillivray, "B" Schaffer, Helena Sullenberger, Anne Cooke, Grey Bromleigh, Clyde Stallings, Doris Hammes, Clara Jensen, Grace Tuggle, Mildred Morris, Mary Hamrick, Catherine Hicks, Elizabeth Callis, Shirley Low.
