A two-night, one-day white water rafting trip is in the planning stages for this August. The plans will be finalized based on your interest in this trip. The idea is to:

- leave on a Friday afternoon (approximately 3:00)
- camp overnight
- after a continental breakfast go rafting all Saturday (lunch along the river is provided)
- eat an open buffet dinner, camp overnight
- leave Sunday morning for home

The cost for the rafting trip (including food and camping equipment) is \$96.00 per

person. Julee Midden, trips coordinator, is checking into different means of free transportation. If we have to rent a van/bus this will increase the price to about \$110.00 per person.

Call Sue Houser at ext. 7029 if you are interested in participating in this white water rafting trip.

Exercise Incentive Rebate

If you participate in an exercise program (paid, structured, supervised) then you may be eligible for the Exercise Incentive Rebate. This rebate entitles you to \$5.00 a month for every month you have documented 8 hours or more of exercise.

Job Line Improved to Provide Faster, Easier Service

Colonial Williamsburg's Job Line, 220-7129, has been changed to provide faster, easier service for persons interested in learning about available jobs.

Now, instead of a running list of available jobs, you have a "menu" of job categories from which you may choose. For instance, if you press "1" (on a touch-tone phone) you'll hear the list of job categories. Press "2" and you'll get a list of all available jobs in our hotels and restaurants. Press "3" and you'll hear a listing of open sales positions. Other job categories are assigned to different numbers. If you don't have a touch-tone (push-button) phone, you will hear the complete listing, without the menu option format. The list is recorded every Tuesday by Selena Phelps.

If you're interested in bidding on another job here at Colonial Williamsburg, listening to our Job Line is a good way to stay up to date on available jobs. Please tell your friends and family about the Job Line--it's an easy way to find out about job opportunities! Just call 220-7129 at any time, seven days a week.

More complete descriptions of available jobs are located in the posting area at the Franklin Street Office. The posting area is open 24 hours a day, seven days a week to help keep you informed about available jobs.
