## First Freedom Summit To Take Place June 24 and 25

National leaders representing diverse sectors of American life will gather in Williamsburg to celebrate the First Amendment to our Constitution's Bill of Rights, which guarantees religious freedom, during the "First Freedom Summit." The summit will be held on June 24 and 25 to coincide with the bicentennial of Virginia's public call for a federal bill of rights.

The highlight of the summit will be the signing of a major new document, The Williamsburg Charter, by representatives of the nation's leading faiths and secularists. The purpose of the document is to celebrate the First Amendment and to forge a new consensus on the place of religion in American public life today.

The event will include a number of other special activities as well. Special tours and dramatic reenactments will highlight the places, personalities and events that shaped the thinking of the Constitution's framers as they progressed from the Virginia Declaration of Rights in 1776, to the call for a federal bill of rights for all Americans in 1788, to the First Amendment in 1791. An open-air freedom concert is planned, as well as a military tattoo and fireworks display.

"Certainly it will be the most important event to take place here since the International Economic Summit," said Hugh DeSamper, senior director of Media and Government Relations. "It will touch many departments throughout Colonial Williamsburg, from developing special programs, tours, meals, publications and more. It will be a major celebration."

"There will be an international aspect to this summit as well, with guests from around the world here to confer. We expect broad coverage, and hope that it will have similar benefits in terms of its recognition in commemorating a very important part of our lives--the first freedom."

The summit is being sponsored by the Williamsburg Charter Foundation, an independent non-profit organization which has received endorsements from a cross-section of national political, business, academic and religious leaders. The effort is non-partisan and non-sectarian and will not take positions on public issues involving religious beliefs.

## Please Excuse Our Mess...

The Costume department is preparing to move into their new facility on First Street, next to the Piland Warehouse, during the week of April 4, says Costume department manager Sally Queen.

There will be no break in service and the department will maintain regular operating hours: 8 a.m. to 4:30 p.m., Monday through Friday.

To help minimize any inconvenience to Costume department customers, Sally gave the following tips:

\* Costumed employees needing to pick up or drop off laundry should go to the new building beginning **Tuesday, April 5.**

\* Employees who have an appointment for fittings, etc. during the week of April 4 should **call ahead** to make sure of the location.

The entire department should be up and running in their new building on Monday, April 11. "We will try to keep things as hassle-free as possible during the move," Sally said. "We thank everyone for bearing with us."

## Cholesterol Screening Scheduled Again!!!

Cholesterol screening has been re-scheduled, due to the terrific response on February 26. The screening will take place tomorrow, **Friday, March 25** at these locations and times:

**Franklin Street Office, Room 147 - 9:30 a.m. to 11:30 a.m.**

**Commonwealth Hall (Motor House Cafeteria) - Noon to 2 p.m.**

**Franklin Street Office, Room 147 - 3:30 p.m. to 4:30 p.m.**

### A Trip to the National Gallery...

The Colonial Williamsburg Recreation Board is planning a trip to the National Gallery in Washington, D.C. to view the Shelburne Museum Folk Art exhibit.

At least 25 people are needed to make the trip possible. Since the trip is in the planning stages costs are not definite, although they will probably include transportation and a meal.

If you'd like to go, or if you need more information, contact Sue Houser at ext. 7029.

### Auditions For New Play On March 27, 29

Auditions for a new CCP evening program, "Cry Witch!", will be held at the Fife and Drum Building on Franklin Street on these dates:

**Sunday, March 27 - 7 to 9 p.m.**

**Tuesday, March 29 - 7 to 9 p.m.**

The program requires seven cast members; four men and three women ranging in age from the late 20's to mid 40's.

"Cry Witch!" dramatizes events surrounding the 1706 inquiry into allegations that Grace Sherwood was a witch. The program has been scripted; however, it is designed to invite audience participation, thus placing a premium on the ability of cast members to respond extemporaneously to their questions.

The auditions will involve both readings from the script and improvisations. Carson Hudson, who developed the program and wrote the script, will be director and program manager. Instruction on Virginia society during the period will be provided during rehearsals.

If you'd like more information about the auditions, please call Barney Barnes at ext. 2100.
