"Stars that shine in '89"

Each Student in our school is unique just like stars and it takes all of them to make a spectacular universe. With Astronomy as our theme, we see our students' hopes and dreams for the future as infinite as the universe. This will be the the last year of this decade and we want it to be remembered by all those who have ambitions.

Welcome to our fantabulous Galaxy. Meet the Stars of Nederland High. See if you can identify all 1,200 of our stars. Our Solar System has no two stars alike. They have their own unique style, which you will have a chance to explore. Now, sit back and enjoy the journey.

Bon Fire

The 1988 bonfire went off very well. Mother Nature saw fit to have clear skies above the Doggie Stadium. As the band played the final bar to the school song, the fire was lit by Nederland firemen. The crowd cheered as the Bridge City cardinal was engulfed by flames. Shortly after the bird was cremated, the crowd broke up. Now, another parade and bonfire are only memories.

The 1988 Homecoming Parade was enjoyed by all. Many spectators commented that their favorite part of the parade was the class floats. The winner of this year's contest was the Junior class float, pictured first. Second place went to the Sophomore class float, pictured to the left. There was a tie for third place between the Freshman and the Senior class floats, which are pictured in that order at the bottom. The student body of Nederland High School should all be congratulated for their hard work and originality.

One of the more exciting events of the year was the Powder Puff football game. This game consisted of an all girl crew of Juniors and Seniors and, of course, we can't forget the coaches, the male cheerleaders and Kickettes, and the female Golden Guardians. All the girls played their best at trying to defeat the other team, but the final outcome of the game left the Juniors totally devastated — the score being 44-25 in the Senior's favor.

At first, the pep rallies of the 1988 football season were in a slump. But as our outrageous football team had victory after victory, the students' spirit was tremendously increased. Overall, this was an outstanding year for boosting student morale.

Simply Irresistible!

The Mr. Legs Contest, sponsored by the Student Council, was held Oct. 10-14, 1988. Nine cans with pictures of a football player's legs were placed on each one. During lunch students voted for the one they thought was best looking by placing money in the cans. At the end of the week the person with the most money was awarded a trophy at the pep rally. The money went to the Humane Society to help shelter homeless animals. The winner of the Mr. Legs contest was Mark Ramirez, Sr.

Locker

away from home

Many N.H.S. students show their school spirit throughout the year by decorating each other's lockers. They arrive at the crack of dawn and stay until dusk cutting, pasting, and trimming decorations for hours. They also put many different types of candy and treats in the lockers.

Yes, all lockers are "unique." Jeff Wros displays his own personality with a unique abstract design.

Reach for the Stars

Future Olympians, two senior athletes dream of success in the Olympics. Leaving nothing behind but dust on the track, senior Tony Bellis, races for success. Tony, who has been running since fifth grade, is currently the fastest runner at N.H.S. for the past three years. Once a freshman football player, Tony is striving for an athletic scholarship from the Pasadena Junior College in San Jacinto. Tony, undecided about a career, desires a chance to run in a marathon, maybe even an Olympic race. A member of the Searim Striders who participates in the LaRoad Ten Mile Races on weekends, Tony's dreams may become reality.

Kristina Stinson, Big Ned's mermaid, splashes early every morning in Central Middle School's pool. Swimming fourteen years now, the top female swimmer in Texas is back stroking her way to the Olympics. Kristina attended the United States Swimming Olympic trials this summer and plans to try out again. On the weekend of January 22, Kristina won First place in the 100-yard backsroke and Second Place in the individual medley at the State contest held at UT at Austin's Swim Center. A member of the National Honor Society, High School Swim Team, Spindletop Swimming, Student Council, and TNT, this multi-talented mermaid plans to attend Austin's University of Texas and graduate as a physical therapist.

The Marines may want a few good men but Senior Leslie Brink hopes the Air Force will aim higher by taking one good woman. Brink wants to attend the United States Air Force Academy. She is also seeking nomination to the Naval Academy. If she fails to obtain an academy appointment, Leslie plans to be an active member of the ROTC at the University of Texas while majoring in aerospace engineering.

Leslie's lifelong dream has been to attend the Air Force Academy. Leslie said, "My grandfather was in the Air Force and that is part of why I want to go to the Academy." She desires a career in the Air Force, first as a jet pilot, and later in international relations.

Leslie is attempting to get her private pilot's license. "The hardest thing about flying is learning you have to respond immediately to the plane's needs or you will eat trees," she said.

Leslie also serves as first sergeant in the Mid-County Civil Air Patrol. She is in charge of all non-commissioned officers. In her sparetime, Leslie is active in the National Honor Society, Youth and Government, and Science Club. She is a member of the All-Region band and an alternate to area. Leslie Brink can truly be called an Outstanding Senior.

NHS' KARATE KID

If you ever need a body guard, don't ask one of the jocks. Call Kacy Culp. With the three "B's": brains, brawn, and beauty, she outwits competitors and defeats them. Kacy, an instructor trainee of Taekwondo, a form of karate, proudly owns a First Degree Senior black belt. She started her lessons for a hobby and has continued them for four and a half years. "Taekwondo," Kacy says, "is an art form, like dancing." She has performed her talent through routines in three talent shows and some beauty pageants. Having competed in both local and national tournaments, Kacy owns a collection of First, Second, and Third place trophies she won in sparring (fighting) and form. An honor student and employee at Little Caesar's, Kacy sadly discloses she discontinued her study in self-defense because of lack of time. She hopes to begin her lessons in the summer. In time, Kacy will kick her way to the stars.

Young Entrepreneurs

Two enterprising young men came up with an original idea to fill their spare time: creating and owning their own business. Jason Rabalais, co-owner of Mist'r Sprinkler, went into business about a year ago. They were inspired by the Marketing Education class. Jason and his business associate, Scott Wilson make and install sprinkler systems and greenhouses. They would like to expand into waterwells and irrigation. Jason enjoys his job because he decides his own salary. He also said that starting his business was not very hard, considering that small cost was connected with the manufacturers. Jason desires to become a subsidiary of another company, which would benefit both with more business. This DECA president, has traveled to France and owns his own business, it would seem he has nothing left for his future but he plans to attend college and who knows what he'll do next.

T.J. VanAuken, partner of Bobbie's Suprette, runs the back section of this store. There he makes and sells boudain, which he has been doing for four years. Even as a youth, T.J. dreamed of success, so he earned money through a paper route and bought the back section of Bobbie's Suprette. With his spare time, this National Honor Society member played on the school's golf team and currently holds another job, waiting tables at the Tower Club in Beaumont. T.J. aspires to attend the University of Houston and be a hotel manager. The story of this remarkable young man appeared in such publications as People Magazine and The National Enquirer and on television shows such as P.M. Magazine, Eyes of Texas, and Tuck's people.

Purpose of the National Art Honor Society

This is the Charter Membership of Nederland High School's National Art Honor Society.

The Society has 7 purposes.

1. to insure and recognize those students who have shown outstanding ability in art.
2. to foster excellence and a dedicated spirit to the pursuit of art.
3. to further creative abilities and talents of the Society's members, as well as the school's entire student art enrollment.
4. to aid members in working toward the attainment of their highest potential in an art area.
5. to bring art to the attention of the school and community.
6. to increase an awareness of art in relation to other areas of the school curriculum.
7. to further aesthetic awareness in all aspects of the school's total program.

This year we had many students receive awards and scholarships. The approximate total for this year was a little over \$300,000. We would like to express our thanks to these outstanding students. Congratulations and good luck as you proceed through life.

Jason Rabalias, Sydney Spears, and Wayne Middleton smile big when they receive their bonds.

Mr. and Miss NHS are awarded to two exceptionally outstanding students each year. As the grand finale of the Awards Day program, these honorary titles are presented to their recipients. These people are nominated and voted for by the teachers of Nederland High School. This year, Mr. NHS is Jason Kemp and Miss NHS is Amy Sanderson.

Jason Kemp received not only his honorary title as Mr. NHS but he also claimed an \$18,000

scholarship to McNeese State University and a speech award. At the 1989 Awards Day ceremony, he was named the All-District Kicker in football. Displaying a great fondness of sports, Jason also received the title of District Co-MVP in soccer. He plans to attend McNeese University to major in psychology.

Miss NHS, Amy Sanderson, has definitely earned her title. As an outstanding student, Amy has excelled in both academics and athletics. As a mem-

ber of the National Honor Society and SALTA (a Spanish language honor society), Amy participates in literary criticism and the Spanish Club. She has also performed as a cheerleader and played sports throughout her high school career. She served as the Student Body President, Homecoming Queen, and Best All-Around girl. She plans to attend Baylor University to major in Pre-Law.

Amy Biar is the 1988-89 Valedictorian, a title she well deserves. Amy is intelligent, active in many organizations, and possesses a talent in music. Amy participates in the Reverie, SADD organization, Spanish Club, and is President of the Lutheran Youth Organization. In band, Amy received the highest rating of excellence in each solo and ensemble she performed. She plays the clarinet for the school's Symphonic and Marching bands and the high honor All Region and All Area bands as well. This National Honor Society member plans to attend Texas A&M to major in psychology. In her spare time, Amy collects clowns and enjoys bowling and seeing movies with her friends.

Salutatorian

Our 1988-89 Salutatorian, Shannon Teixeira, is another amazing Nederland student. She plays many roles each day: a high school honor student, a Marching and Symphonic band member, a band aide, an active participant of the Science and Spanish clubs, a Memorial Christian Church youth group member, and a Walgreen's cashier. She also attends science and band contests and has earned several Superior division ratings in Solo and Ensemble contests. During her spare time, this member of both the National Honor Society and the Spanish Honor Society enjoys her music and is an avid reader of Stephen King novels.

SENIORS

SENIORS

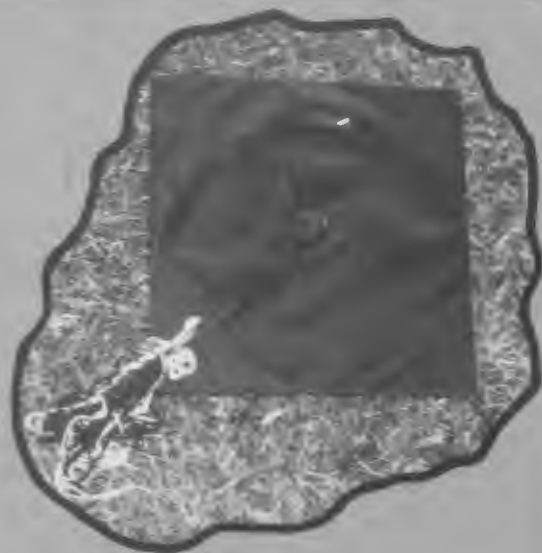

SENIORS

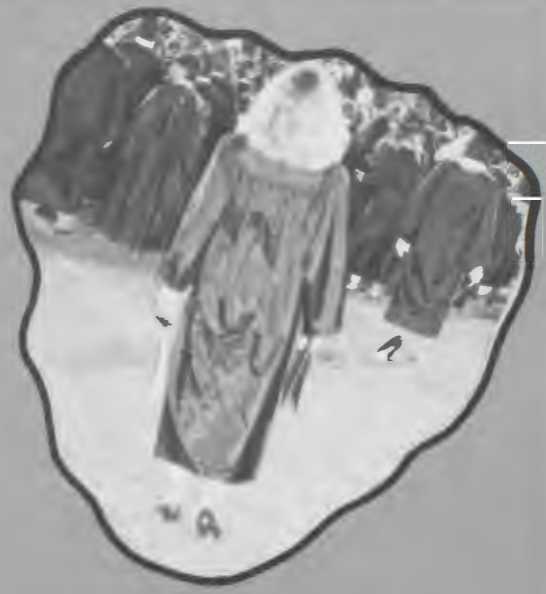

As the school board leads the way (far bottom) one chapter in our lives close but a new chapter is beginning to open. Amy Biar and Rebecca Rice lead the Cum Laude graduates on the field (far top). Then the rest of the Class of '89 follow. Once settled the Validictorian and Salutatorian speeches were made, and the guest were introduced. Finally, to the pleasure of all the diplomas were given out. One memorable fellow is Jason Pitts who received a standing ovation.

Sitting as patiently as possible the benediction is over and hats are FLYING!! Some people cry and some people do not but they are All smiling. It has been a good year full of memories. Good Luck in the Future!

Project Celebration started out as the fight for FOOD! The variety was wide. There was pizza, crawfish, sandwiches, fruit, donuts, and many other foods. After everyone was filled up, people moved on to try their hands at few games. There was roulet, poker, jack pot, volleyball, anything goes, and many other games to enjoy.

MONEY

MONEY

MONEY

As the games close down, the dancing is just starting. There was three types of dances. #1 Limbo, #2 Dirty Dancing, and #3 Free Style.

As dawn approach, the auction began and followed by the giving away of the door prizes. The winner of the car was Kelly McIntosh.

This big night would not have been possible without the faculty of Nederland High and our loving parents. Thanks to each of you for caring and, just maybe, saving our lives.

Finally! Learning

That's Not Boring

No offense, but class can get boring at times. Thank goodness for these annual events to liven things up! Mr. Neal's Geometry classes get to make their very own kites every spring, then, the students get to (try) to fly them. Mrs. Wind's Spanish II classes have a great time presenting a Spanish wedding each year. The Child Development classes have egg babies and babysit children. And, of course, the Biology II students get to dissect cats! What fun! All of these projects require a great deal of work and time, but they are sure a nice break from monotonous work.

Right: Wow, Ben Jones, what a hat!
Below: Sophomores, Amanda Byrd, Vanessa Kirkland, Laurie Fawvor, and Kim Allred, prepare their kite to fly in Mr. Neal's Geometry class.

Above: Tiffani Estrello and Kandy Wright having a few laughs with their cat.

Above: Ricky Schriver, Glen Chance, and Steve Megas. Better luck next time!

Above: Jason Simon, Arlan Escagne, and Jason Kemp show off their playhouse for the lucky children they get to babysit.

Left: Samantha Cruz and Larry O'Connor tie the knot in Spanish II.
Above: Jason Kemp is at the top of everyone's Egg-babysitter list.

IN MEMORIAM

WE WILL ALWAYS REMEMBER YOU!

Passing On

The story of death may come too soon,
It may come at night or it may come at noon.
In many lives we will see, that when death comes it is our
final epitomy.

When we are conceived, we are given a plan —
When we finish our plan, God takes our hand.
Everyone must go through this ordeal, yet while on earth we
have opportunities to fulfill.

Be good to yourself and beat your own little drum,
Only God will know when your time has come.

We will miss you so much that words can not explain. You
were all such good friends to everyone. Your memories will
never be forgotten.

Did you care enough to get involved?

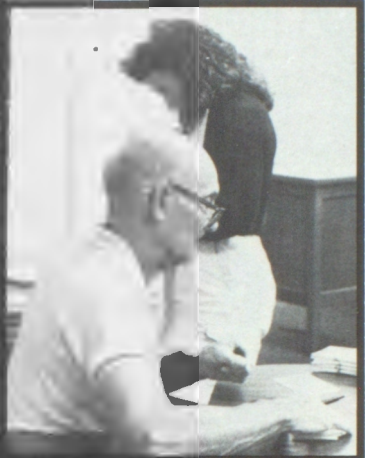

Many students, faculty and citizens cared enough to go the extra mile.

Many of those who find school a great place to be are those who care enough to get involved. Jana Tiner, center photo, was one of many students who spent hours on special classroom projects designed to enrich students. Karen Carpenter, below left, not only sponsored the pep squad but gave many hours of her free time to organize project celebration. Many times those who care are joined by their parents. Above left, Tommy Martin, school board member who attended Project Celebration with his son Scott Martin, senior.

Black Attacks

The Freshman Black football team met a tough challenge this year as they moved into the new 20-4A district. After winning district last year they had some problems this year, posting a 3-6 record. All three of their victories came against Port Neches as they trounced the Indians 56-26, 28-0, and

28-14. They also lost a close game to Groves 33-28. These young players have a lot to be proud of and show a promising future as Varsity Bulldogs. The Freshman Black team was coached by Chris Stump, Rick Neal, and Douglas Carter.

Gold is Bold

A last minute scoring drive by the Bridge City gave our freshman Gold squad a heartwrenching loss. Bridge City, down 18-12, capitalized on a fourth quarter turnover and then drove and scored to tie the game at 18-18. The Cardinal kicker sent a line drive extra point attempt that

barely cleared the uprights. The Golds' last second scoring effort came up fifty yards and about a minute short.

All in all, the Golds' season was pretty good. As Brad Johnson commented, "They looked impressive, but the breaks just didn't go their way."

The 1988-89 Basketball Bulldogs suffered through a tough season this year, posting a 3-23 worksheet. The Bulldogs looked good in many areas though, and lost several very close contests. Excellent leadership was shown through this tough year by the five seniors: Robert "Putting for" Pardue, Archie "Bunker" Windham, Patrick "Mocking" Byrd, Brandon "Don't Pay the" Perryman, and Nathan "The Governor" Hutchinson. The Bulldogs do have a bright future, though, three starters will return: Brian "Silver" Smith, Chris "Modern" English, and Second Team All — district pick, Steven "Wild, Wild" Westbrook. Two lettermen return, Tommy "Gun" Hanna and Keith "She won't, Bite so" Patterson. Congratulations also to Pardue and Byrd because they were chosen Honorable Mention All-District.

BOYS TENNIS

The Boys Track Team was very successful this year with three members qualifying for Regionals: Tony Bellis, Rob Bledsoe, and Lance Shepard. Just inches and 1/100 of a second kept six more from qualifying. Most of the boys were involved in other sports which required them to make many sacrifices. The members of the 1989 Boys Track Team left many good memories and positive things for next years team.

Team Work

The 1988 girls' Varsity Volleyball season was a fantastic success which almost led them to the playoffs. During the month of August, the team started practice and attended several tournaments which helped them gain experience. They continued working hard so they would be finely tuned for district. At the end of district, the team had only lost three games, and they were tied for second place. Nederland made a lasting impression in their first season in the new district.

Score Two More

The Freshman girls' basketball team survived a hard year. They didn't win many games, but they were devoted to hard work. They attended the Bridge City tournament and their own tournament. At the Bridge City tournament, the team defeated Port Neches. Later in

district they defeated them again. In a pre-district game, they beat Vidor. The games they lost were not blow outs, but rather close scoring games. The team ended up 1-9 in district play and 4-12 for the season.

Break The Tape

The 1988-89 Track team survived another hard working season. The girls attended the Silsbee, Nederland, Stephen F. Austin, Bridge City, and the district in Bridge City track meets. The team endured long, hard, and helpful practices. Several of the girls came very close to achieving the honor of attending the regional meet. The team faced tough competition and fought to the finish. The work they put in to preparation was a success. The short distance runners were Rebecca Rice, Christy Hebert, Kim Thibodeaux, Angie Jones, and Debi Allen. The long distance runners were Kim Gibson, Penny Graves, and Mary Ann Paul. CHAMPS

The girls' soccer team had a very successful year in 1989 with a district record of 4-1-1 and a season record of 10-1-1 giving them a co-district championship with Westbrook. The Bulldogs advanced into bi-district play against Kingwood with a very impressive showing. Earlier in the season, the girls also captured the Orange County Kick-Off Classic championship by easily beating everyone in the district. Jennifer Smith and Stacey Buchanan received all-tournament honors and Samantha Cruz was named Most Valuable Player of the tournament. The girls worked very hard this year and always played together as a team to bring Nederland many victories.

"Cheerleading"
Cheerleading is a lot of hard work.
It's being a part of the team,
It's having to accept responsibility,
And learning what responsibility means.
A cheerleader needs enthusiasm,
And confidence in her ability,
Because she is the symbol of vitality.
A never ceasing interest,
A strong will to do for others —
These constitute a cheerleader's emotions.
Cheerleading is an honor,
An honor meant to share,
Regarded as a priceless gift,
To create spirit everywhere.
A person with high standards,
With honor and character, too —
Someone who puts herself aside,
And lives to support the school.
Feeling tense and nervous,
Laughing and waiting to win!
Accepting the disappointment of defeat,
Learning to try once again.
Working for many hours,
Going through stiffness and aches,
Wondering if you can improve,
After realizing what it takes.
Being proud of the position you hold,
Caring about your team,
That's what cheerleading means.

The 1988-89 Westernaires have had a very exciting and rewarding year. During the summer, they aerobized to get in shape, taught the new members dance steps, and attended a drill team camp. A week before school started, the Westernaires presented a style show and salad dinner as a fund raiser. Throughout the last weeks of summer and the two month football season, they sweated through late practices to display many magnificent dances at half-time performances. In the second semester, several famous dance instructors prepared the Westernaires for contests and Spring Review '89.

BULLDOG BELIEVERS

Members of Youth and Government are involved with many activities. Representatives from N.H.S., Emmy McCall and Leslie Brink, attended the Area Youth and Government and meetings at the Port Arthur YMCA, along with members from PN-G and T.J. High School. These members met every Wednesday night at 7:00. For several reasons Youth and Government offers the chance to meet other people sharing an interest in government. The club members write bills and proposals and act like government officials and members of the Press. If a member's bill is passed, that member attends District competition held in Houston and the State Convention at Austin. In Austin, they visit the Capitol Building and the House of Representatives.

Student Council is a group of outgoing high school students devoted to making high school more fun and beneficial for their fellow peers. They sponsor dances, visit nursing homes, and do other community services. Perhaps their greatest accomplishment of this year was the food drive. This food drive was held before Thanksgiving and Christmas to collect canned goods for the needy. This was a successful attempt to help those who were less fortunate than others.

REVERIE

The Reverie is NHS' literary magazine. Published by the literary staff annually, the Reverie is given to all honors English students. The art editor, chosen through a contest, designs the cover of the magazine. English teachers submit poems and short stories composed by their honor students to the Reverie sponsor, Mrs. McDonald. Reverie's editors chose the entries for the magazine and once the staff has typed and designed the pages, the editors put the book together.

The 1988-89 Debate team was very successful this year. U.I.L. District results: First Place Persuasive Extemp — Jason Monroe, First Place Informative Extemp — Matt Fontenot. In the annual Texas Forensic Association State Tournament, Eric Escagne, Russell Rach, Chris Issac, and Cristi Beaumont qualified out of over 2100 eligible teams to compete. Only 86 teams out of the state were selected to attend this tournament. Eric and Russell ranked 53rd out of the 2100 teams. Chris and Cristi ranked 65th out of these teams. Both teams are in the top three percent in Texas.

ICT Had a Good Year!

Industrial Cooperative Training is a program that provides students with an opportunity to receive career training in a trade or occupation while completing their high school education. The students who participate in I.C.T. will master practical job skills and procedures, learn technical and related information, and develop personal and social traits essential to be a successful worker. I.C.T. held barbeques, fish fries, and an employee banquet at the end of the year.

The FFA can and does make your education a wonderful part of your life. The Future Farmers of America is a part of vocational agriculture and agribusiness.

Sometimes we might think that FFA stands for Friendship and Fun in Agriculture. As an FFA member you may be active in fairs, shows, team events, musical groups, agricultural contests, FFA rodeos and horse shows, summer camps and pack trips — even trips to Washington, D.C., or Kansas City, Missouri. The FFA makes learning more interesting through real life experiences. There are also many leadership opportunities provided through FFA membership.

DECA, Distributive Education Clubs of America, is the club that all members of the Marketing Education program are a part. Marketing Education teaches students about marketing concepts such as sales presentations, entrepreneurship, and displays. Also, concepts applicable to everyday life such as personality development and employment searching are taught. M.E. is a vocational course providing three course credits and employment experience to students. Students attend school half a day and work half a day.

Business Professionals of America is a very educational course. It will help you to become more successful in your future goals, such as computers, word processing, calculators, typewriters, filing, and job interviews. There is a junior class and a senior Co-op class. Our seniors work half a day and attend school the other half. During February they attended Regional competition in West Orange Stark. There are many competitive events. At Regionals, First and Second place winners advance to State Competition. At State, First, Second, and Third place winners advance to the Nationals. This year the Business Professionals received many awards at Regionals. Three of the winners advanced to State competition.

The FCA, Fellowship of Christian Athletes, began this year at Nederland High School. They visited senior citizens' homes and made fruit baskets for them. They also participated in many activities. Each week they had meetings and discussed the pressures of being a Christian. They supported each other and learned how to more effectively share their faith. This year was a very successful one and they plan to continue FCA in years to come.

S.A.D.D., Students Against Drunk Driving, is an organization designed to better educate students about drinking and driving. The students learn to avoid drunk driving if they:

1. Understand the effect of alcohol and drugs, both physically and mentally.
2. Realize the influence of alcohol on driving, and the potentially serious consequences of drinking and driving.
3. Explore and reassess their own attitudes and behavior concerning drunk driving.
4. Plan ahead of time how to cope with; or avoid, drunk driving incidents involving themselves or others.

The Beat Goes On

This year the Bulldog Beat staff has been hard at work writing for the Bulldog newspaper. These staff writers of the Bulldog Beat were comprised of Journalism II students and the Journalism I class.

At Journalism U.I.L. Contest, everyone learned just how talented NHS students really are. Tracy Welch, in Journalism I, won First Place in the Editorial writing contest. Archie Windham, a Journalism II stu-

dent, received a Second Place in the Newswriting contest. Jarren Garrett, in Journalism II, won a Fourth Place in the News-writing contest. Emmy McCall, editor, received Fourth Place in the Headline writing contest and Fifth Place in the feature writing contest. As a result of this contest, all four students advanced to Regional Contest at Huntsville.

'89.

Dear Shawn,

We remember YMCA football, basketball, and all those soccer games . . . the "best dressed" Indian in the elementary school play, the school dances . . . lost lunch money . . . and now you're all grown up. We love you and best wishes.

Love,

Mom, Dad, and Jeremy

Dearest Kellianne,

It is so hard to believe that our little girl has grown up and turned into such a lovely young lady. We are so very proud of you. We know of the sacrifices you have made to accomplish academic excellence. We have all the confidence in you that you will continue to do the very best you can do. Good luck in college and in all your future career.

All our love,
Mom and Dad

Number 13 must be our lucky number! Thanks for all the things YOU have taught us and the memories you have brought us. You are so special! Go Red Raiders.

CONGRATULATIONS STEPHANIE!

FROM THIS TIME FORTH,
YOU ARE A WHOLE PERSON,
COMPLETE WITHIN YOURSELF,
BRIGHT AND PROUD AND STRONG,
JUST LIKE YOU'VE ALWAYS LONGED TO BE.

BUT, FORGIVE ME, MY CHILD, I MUST CONFESS,
THIS IS NOT EASY FOR ME.

IT SEEMS THE YEARS HAVE BEEN FAR TOO FEW
SINCE FIRST I NESTED YOUR INFANT FORM
WARM AGAINST MY CHEST
AND ROCKED AWAY YOUR TEARS.

I TAUGHT YOU HOW TO TIE YOUR SHOES,
TO READ AND SAY YOUR PRAYERS.

THERE'S AN ENDLESS LIST I'D LIKE TO TEACH,
BUT THEN, I'VE NEVER LEARNED IT ALL MYSELF
AND I'VE SURVIVED, SO YOU SHALL TOO.

THOUGH I WAS NEVER THE PERFECT PARENT,
NOR YOU THE PERFECT CHILD,
WE ALWAYS LOVED EACH OTHER,

EVEN WHEN THAT LOVE WAS TOUGH
OR HARD TO UNDERSTAND.

AND I SHALL LOVE YOU STILL,
WITH A LOVE THAT IS SO BOUNDLESS,
I WOULD DIE FOR YOU.

EVEN SO, I CANNOT LIVE FOR YOU.
FOR I KNOW THAT IF YOU ARE TO BECOME
ALL THAT GOD HAS PLANNED FOR YOU TO BE,
YOU NEED SOME SPACE TO SPREAD YOUR WINGS,
AND FLY AWAY FROM ME.

SO, ON THIS, YOUR GRADUATION,
I GIVE THE GIFT YOU'VE WANTED MOST,
BUT THE HARDEST ONE FOR ME:

MY PRECIOUS CHILD,
WITH TEARS UPON MY CHEEKS,
I SET YOU FREE.

I LOVE YOU,
MOM

STEPH HARRIS

Congratulations Kelly,

Those bruises, breaks, and busted
knee we felt should be enough
To prove to anyone through the years
that you were surely tough.

But you never stopped, but forged ahead
with all your body and mind.
And now we see what God must know —
you are truly ONE OF A KIND!

Love,
Mom, Dad
Shaun, Theron, and Sheryl

Amby,

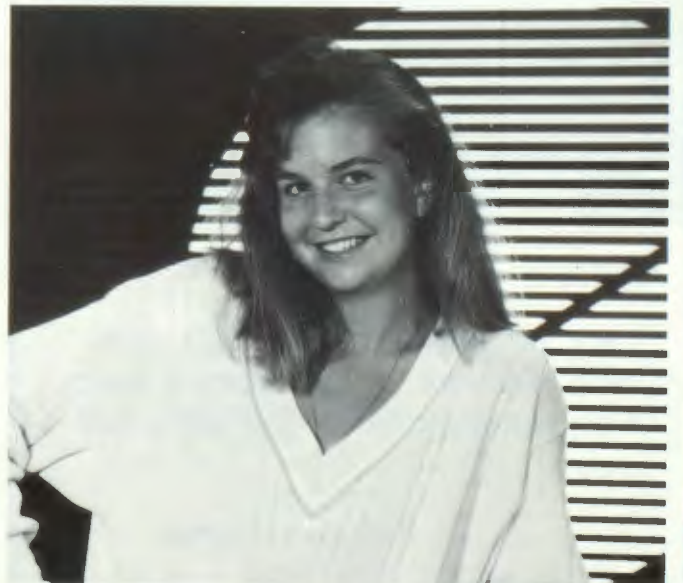

Over the past 18 years, we have watched you
mature into a beautiful, young lady. We are so
proud of all your accomplishments but most of
all, we are proud of the person you have be-
come. We love you very much and wish all of
your dreams come true.

Mom & Dad

You've come a long way Sunny

Love
Mom and Dad

CONGRATULATIONS GINA,

Upon your graduation from high school, we reflect on many memories. Memories we cherish as you grew and learned the skills for living and getting along with others. As you grew, we saw you mature into a sweet, kind, beautiful young lady, one that we are proud to call our daughter.

More important as you graduate,
we look to the future with anticipation and only best wishes for you as you begin
a new chapter in your life.
THE FUTURE IS YOURS —
HITCH
YOUR DREAMS TO A STAR!

WE LOVE YOU
MOM & DAD

Jason,

May you always believe in yourself the way we believe in you. Congratulations! We're proud of you.

Love,
Your family

Em!

Dearest Beth,

It was 1971 and you were our 4th of July celebration. We were so happy you had come into our lives! From that day forward you have brought us so much happiness and taught us to appreciate your gentle and loving nature. You have always excelled in everything you have tried, and we know you will succeed in your life's ambitions.

Seventeen years have flown by so quickly. Sometimes it is hard to believe you are about to "leave the nest" and enter the new world of college. So before you go, we want to say "thank you" for being all you are. We wish you joy and fulfillment in life. Keep our love close to you always.

Mom and Dad Grammy and PaPa

Christy,

Your Graduation is a new beginning not an ending. Your future is in your hands. Here's wishing it will bring you as much happiness as you give to us everyday. Thanks for all the wonderful memories.

All our love always,

Toppo & Mom

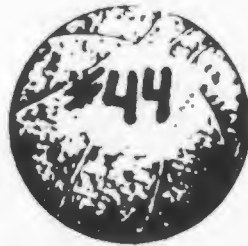

Dear Amy,

You are Special!
We love you,
God loves you,
Love yourself!
Be all you can be!!
So

Congrats!!!

MICHELLE . . . THANKS FOR ALL THE MEMORIES!!! OSCAR THE GROUCH BOWLING . . . T-BALL . . . EGGS IN SPACE . . . THE CHEESEBURGER STORY . . . SWEET CHEEKS . . . CAMPING WITH ALLIGATORS . . . RUNNING AWAY WITH JENKS . . . THE GIFT OF THE MAGI . . . TRIPS TO EXOTIC PLACES (LIKE DETROIT, DALLAS, CINCINNATI, SAN ANTONIO, HOUSTON, AND ODESSA) . . . HUNTING NITS . . . TOTEM POLES . . . LITTLE MEN . . . THREE FOOT HUSBANDS . . . PRESENTS THAT BURK AND GO OFF . . . ALL THE SOFTBALL AND BASKETBALL GAMES . . . AND MOST OF ALL FOR THE MEMORIES OF YOU THROUGH ALL THE YEARS. YOU'VE BEEN A JOY AND PLEASURE (MOST OF THE TIME), AND WE'RE PROUD OF WHAT YOU'VE DONE BUT MOST OF ALL FOR WHAT YOU ARE.

WITH LOVE AND HOPE THAT ALL YOUR DREAMS COME TRUE —
MOM, DAD, KIM, JOHNNY, & THE LITTLE MAN.

DAVID MILTON DUCHARME

We Remember . . .
 IN THE SNOW, IN THE SEA, IN THE MUD —
 YOU LIKED ALL THREE.
 JUMPING, DIVING OR DOING WHEELIES,
 NEVER LEFT US WORRY-FREE.
 A GREAT TIME WE'VE HAD, 'OLE SHOE,
 WITH ONE WE COULD HAVE MISSED.
 AN ACCIDENT, (A FAMILY JOKE),
 THE ONE MOM LIKES TO KISS.

OUR JOYS, OUR FEARS-BOTH CAME
 WITH TEARS.
 YOU "DID US PROUD" THROUGHOUT
 THE YEARS.
 WE LOVE YOU, DAVID DUCHARME;
 I THINK YOU KNOW THAT, TOO.
 BUT IT DOESN'T HURT TO TELL
 HOW PROUD WE ARE OF YOU!

Love,
 MOM AND DAD

Stephanie Ruth,

My beautiful Daughter; Hold on to your dream, nothing is impossible! Congratulations!

Much Love,

Mom & Erica

You did great.

We Love You.

God Bless You!

What changes would you like to see in our school?

"I would like the hypocrisy to end. If the tension between classes and different groups ended, the student body became unified, NHS could rise to new heights of success." — Sandy Timmons, senior.

"The only changes I would like to see is a change in the spirit of the students. I would like to see students who sincerely like learning and are not just working for a grade." — Mrs. Mitchell, art teacher.

"I would like to see an open campus lunch." — Larry Morton, junior.

What are the positive aspects of NHS?

"Most teachers treat students as adults instead of as children." — Debra Kennedy, senior.

"We own a spectacular math department." — Ms. Pittman, Math and Psychology teacher.

"NHS has great extracurricular activities. No matter what you are interested in you can learn more about it through the many clubs and specialized classes that are offered." — Cheri Babin, junior.

What do you think of fashion trends at NHS?

"Fashion choices are a personal characteristic that people use to help distinguish themselves from each other." — Bubba Arnaud, senior.

"People all want to be different, original and are trying to find themselves. It's funny that the end result is that everyone ends up being a carbon copy of each other." — Jennifer Landry, junior.

"I think the fashions at this school are great if you like dressing like everyone else because almost everyone dresses alike, but of course that's how it has always been." — Kim Harrington, freshman.

What is your favorite thing about NHS?

"The teachers are nice, easy to get along with." — Archie Windham, senior.

"The people I work with." — Mr. Skeleton, science teacher.

"Seeing the varsity games is more exciting, especially football and basketball." — Sherry Mansveld, freshman.

With the tragic deaths of NHS students Sally Hancock, Shane Ramke, and Joey Barton, do you think NHS students have been influenced to cease drinking and driving?

"Yes. I firmly believe that these tragic incidents related to harmful drugs will bring everyone here at Nederland to the realization that these things aren't just far away incidents one might hear about on the news, but they are here, in front of us, in our own town. It's up to us to come to this realization and not to just shrug it off and ignore it." — Shane Arnaud, senior.

"It has had very little effect. By the next weekend after the deaths students were back out partying. Students have a feeling of immortality." — Mr. Minaldi, marketing teacher.

"No, because kids are out to have a good time. They really don't think about it until it is too late." — Shayne Hayes, freshman.

What beneficial knowledge have you acquired from NHS?

"Women die single!" — Heather Toups, senior.

"I have learned everything there is to know." — Todd Singleton, junior.

"Not much because I have three more years to go." — Andy Smith, freshman.

What is your favorite and least favorite type of music?

"I like heavy metal and I hate country." — Joel Moss, senior.

"Classical music is my favorite. My least favorite type of music is when the musicians start screaming." — Mrs. MacDonald, English teacher.

"I can handle all kinds of music except for elevator music." — Jeff Stracener, freshman.

What would you change if you were principal for a day?

"Absolutely nothing. I love this fine institution of learning. I might let people color their hair they way they want. Yeah, that's it."
— Jeff Wros, senior.

"I would make girls and boys sports equal. I think the administration ignores girls sports even when we have a really great season. I think girls coaches work just as hard and should be paid as much as the boys coaches are."
— Leigh Ann Houston, junior.

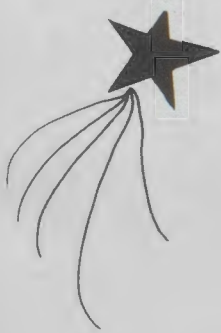

"The kids should be allowed to choose their own hair color. It's really the parent's decision. I would change the dress code."
— Kristina Mendoze, sophomore.

Hi there all you Nederlites! Did you see all 1,200 of our stars? I hope you enjoyed the journey through our galaxy.

I would like to give extra thanks to extra-ordinary people. I want to thank Beth Krueger for all her hard work. Beth made over 50 pages of the book. Another spectacular person is our head photographer, Kevin Harrington. Kevin captured our school functions on film, rolled the film, and printed pictures by the hundreds. Another important person is our computer man, Craig Flemming. Craig typed in almost every letter in our book. We could not have done the work we did without you three! I would like to thanks the rest of the staff for their hard work. I would like to give special thanks to my mom and dad for helping me at home. I would like to thank Mrs. Cowles for being the best adviser and a good friend.

Well this ends the journey through our fantabulous galaxy. Just remember, YOU are a STAR!!

Good luck in the future,

Stephanie Beck
