A school building is constructed of steel and cement, strong and permanent, but it is designed to accommodate an ever-changing flow of students. Year after year buses empty their loads each morning, and people stream in waves into the hallways and classrooms. To the rhythm of bells, tides of people wash in and finally back to the buses, leaving the building empty. Carl Sandburg in his poem "Skyscraper" says:

"It is the men and women, boys and girls so poured in and out all day that give the building a soul of dreams and thoughts and memories."

As each individual forms a part of the mass, so each personality contributes to the whole of Nederland High School's soul—that abstract thing we call school spirit. Soon the seniors of 1967 will be leaving this student body. With them they will take thoughts and memories, many of which were molded in these halls and classrooms. Before they leave, we present the 1967 PILOT, an abstract collection of the people and events that filled this past year.

## Foreword

1967 PILOT Staff

Mr. Orville A. Kelly

Checking over the percussion equipment that makes NHS Band Concerts so popular and enjoyable.

Helping Louella sew her All-State patch on her band jacket.

At home planning a marching drill.

Working on inventory for all of Nederland's bands.

## We Dedicate This PILOT to . . .

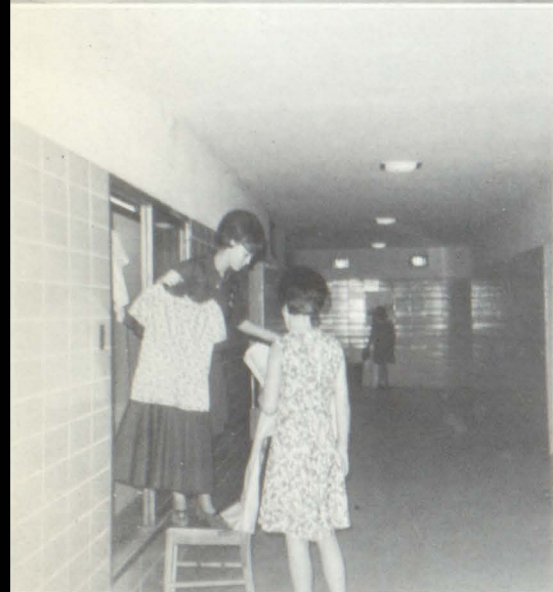

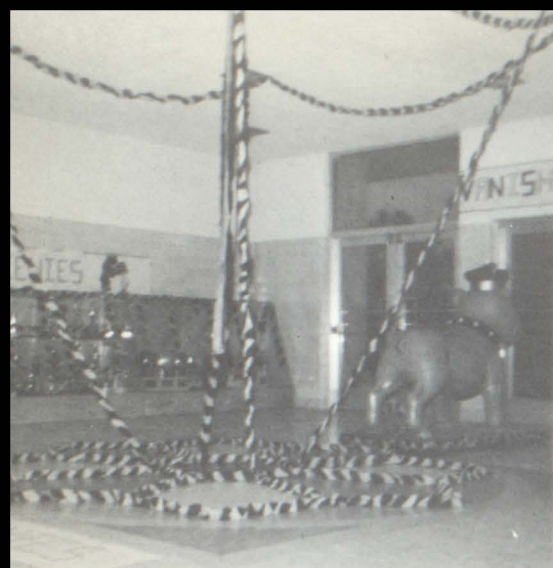

Mr. Orville A. Kelly —

in return for the countless hours he has spent making the Nederland High School Band one of the best. The honors the band has received throughout the state exemplify Mr. Kelly's tireless efforts to make the "Golden Pride of the Golden Triangle" a most successful organization. As Mr. Kelly leaves us this year, he will leave a part of himself here with our band.

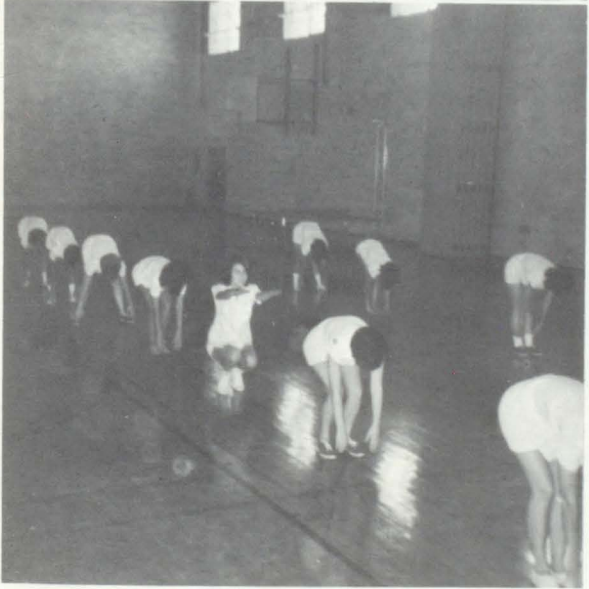

Conducting the Annual Spring Concert.

# Faculty and Administration

“Education is a companion which no misfortune can decrease, no crime destroy, no enemy alienate, no despotism enslave . . . It chastens vice, guides virtue, and gives grace and government to genius. Education may cost financial sacrifice and mental pain, but in both money and life values it will repay every cost one hundred fold.

## Semester

# February Held . . .

The sophomores presented a skit portraying current world happenings, such as Cassius Clay (top picture). Intermissions were filled with entertainment by a chorus line (?).

The junior class amused the student body with excerpts from ("Peanuts") and commercials such as the one above ("Mrs. Brown, there's a dove in your kitchen.").

The seniors sponsored a basketball game with the senior sponsors playing the KAYC DJ's. (By the way, the seniors won the Race and the sophomores came in second.)

The Annual Staff worked most of the day to decorate for the Pilot coronation and the Valentine Dance

Talent that performed for the coronation practised before the curtain went up.

Crown bearers for the coronation were Mary Ellen MacDonald and Michael Savoy.

The Valentine Dance ended a week of hectic fund raising.

# An Exciting Pilot Race

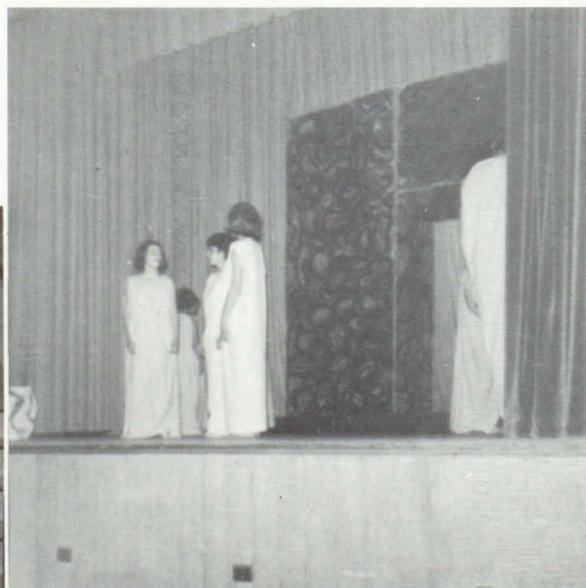

# March was quite a busy month

Twenty girls took part in Miss Photoflash Pageant from which ten girls were picked as finalists.

Linda Vinson looks half dazed after the play. The reason for her look is that she literally "stole-the-show".

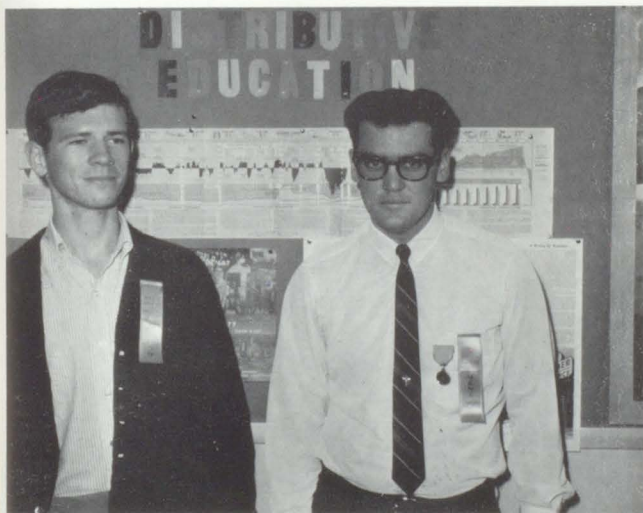

The advanced senior English class put on the play ANTIGONE under the guidance of Mrs. MacDonald. The entire school was invited; and the entire school enjoyed it.

The girls celebrated Easter with an Easter egg hunt in each P.E. class.

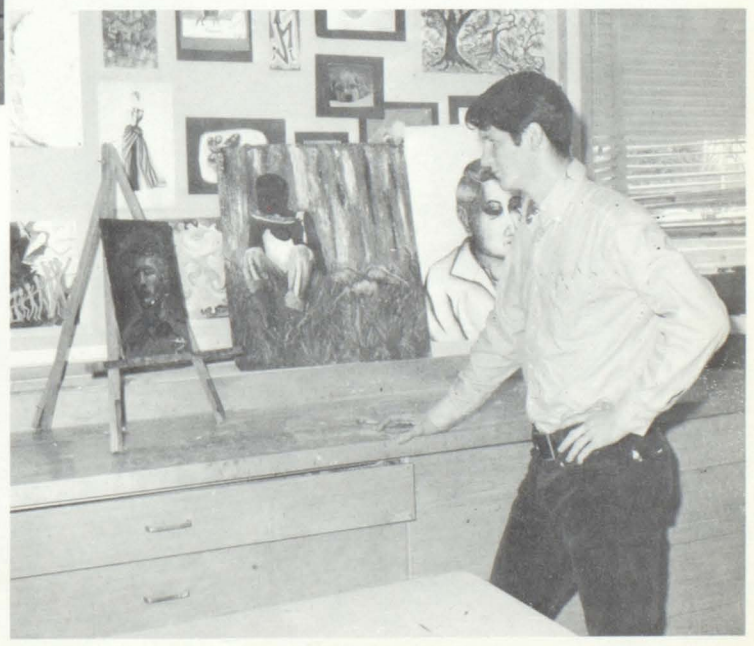

Curtis Bourn and Ronny Carbough won honors in DECA district competition; Ronny advanced and won a state first.

Mrs. McClure looks on as girls take shorthand from dictation machines.

Robert Nally had an art exhibit of just his work put up throughout the school.

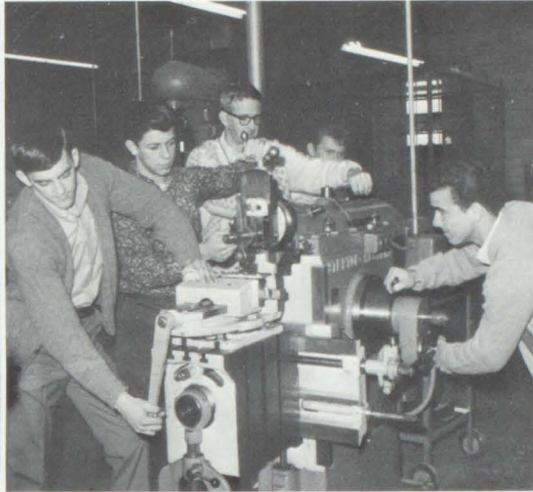

# April Brings Showers Of Fun!

—and then, someone whispered, “Do you realize that the seniors have only more month?”

The annual Quill and Scroll induction was quite an event. New members were inducted and the magazine and PILOT dedications were made.

Shop boys "put the rush on" so that their projects will be finished before school is out.

Ten girls tried-out for six openings in the cheerleader line.

As the end of school nears, seniors find odd ways to amuse themselves.

A new kind of election came to NHS when a party, with platform and everything, appeared on campus.

The final payment for PILOTs were due and people poured into the annual room.

Water guns and wet people was a familiar sight at Lake Tejas on May 8, 1967.

Many seniors enjoyed dancing.

# Senior Picnic

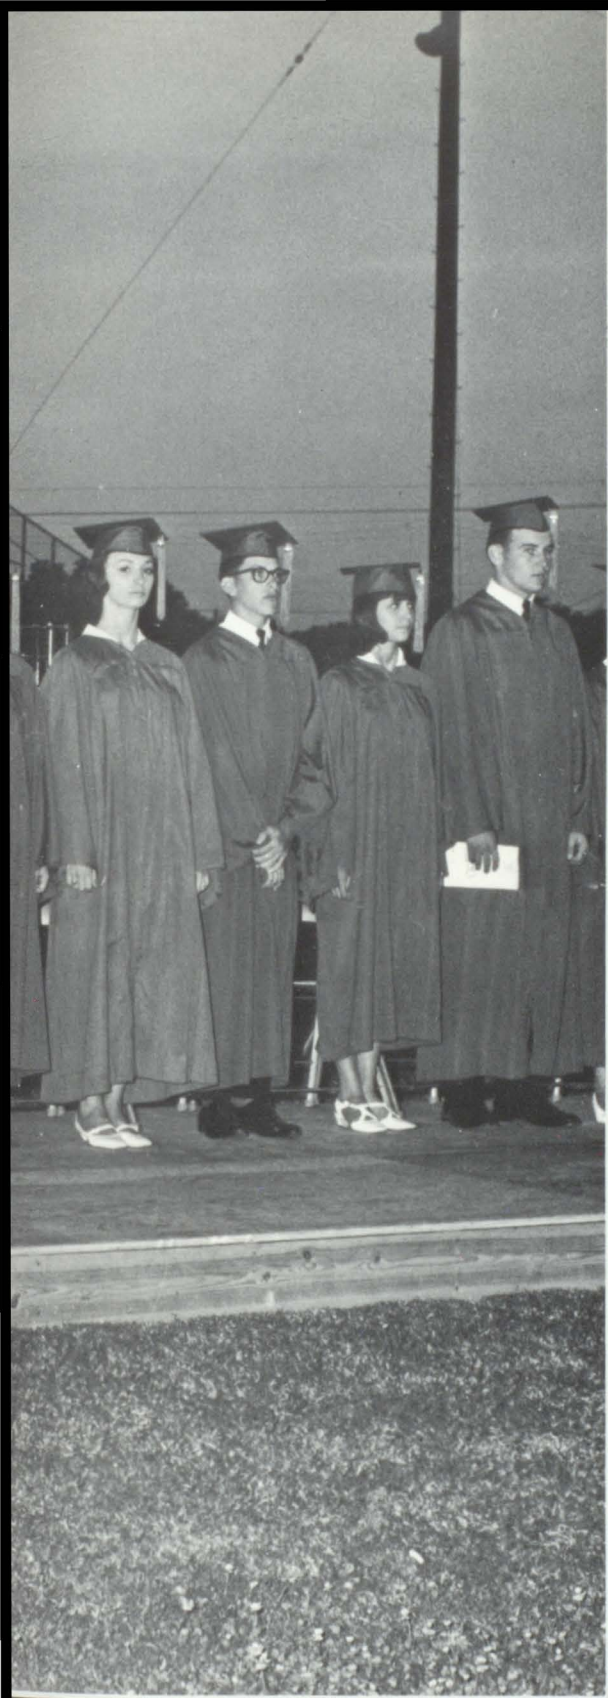

Impromptu Hootenanny?

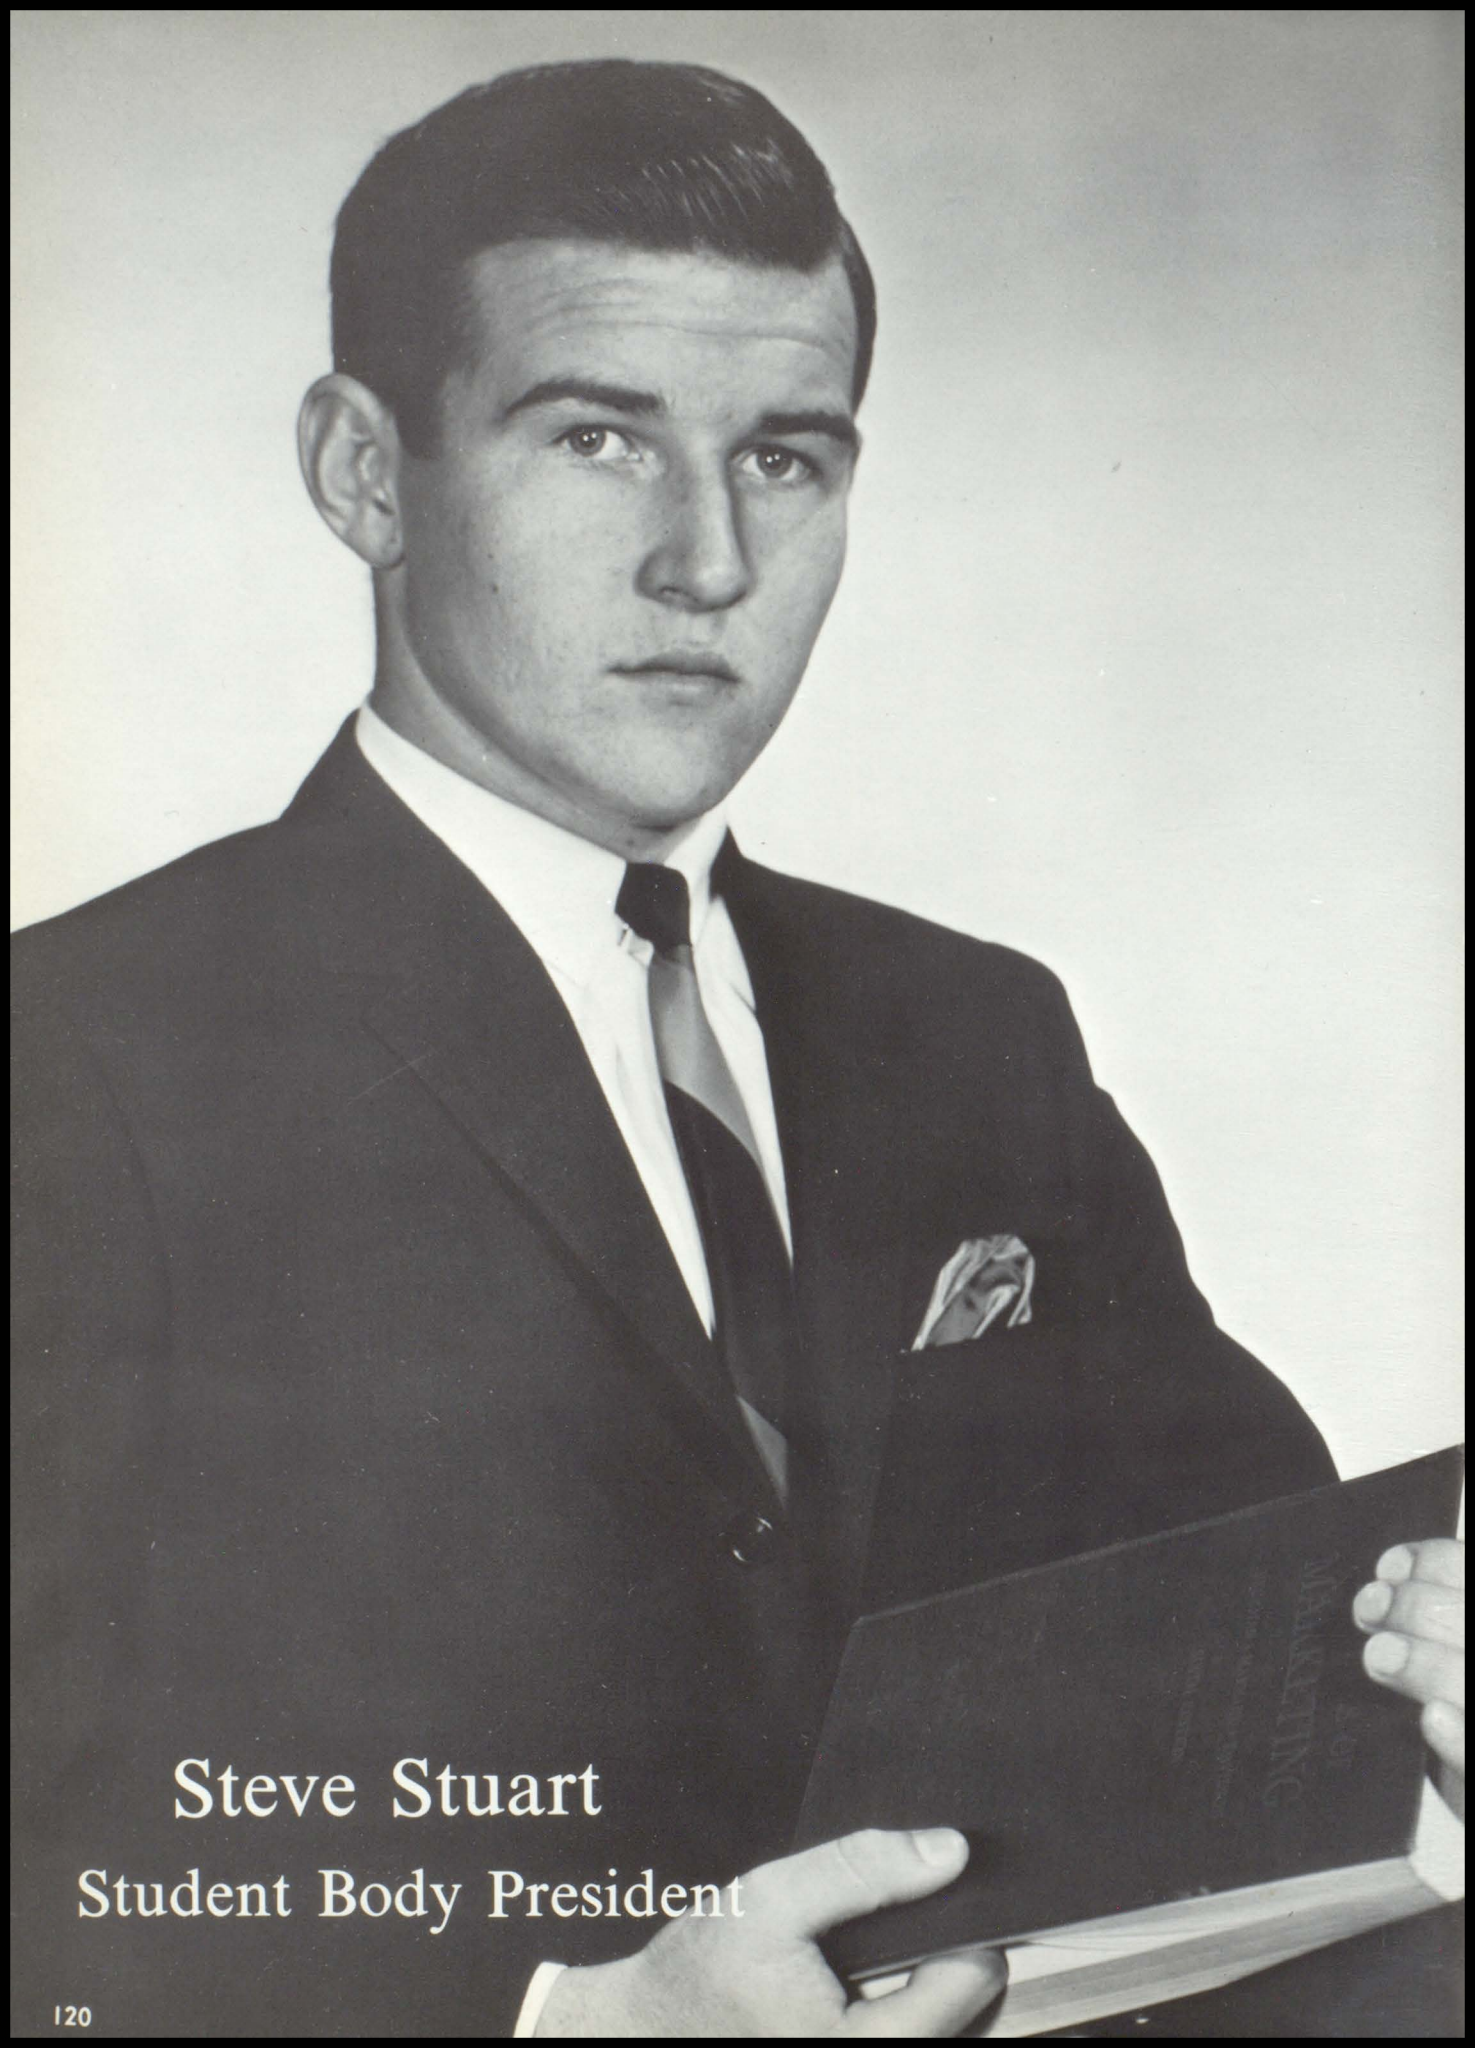

The chilly weather failed to dampen the spirits of all the energetic, water-pistol carrying Seniors. The day was a great success. Lake Tejas will never be the same!
